- **Time Limit:** Each speaker will be limited to seven (7) minutes in which to make their comments.
- **Notes:** This forum is intended to enable individuals who are not full-time residents (or who are unable to attend an in-person session) to participate in a public forum. While the committee will not stop full-time residents from participating in the virtual meeting, the committee urges those who are able to attend an in-person session to appear in person instead of via Zoom. If an additional Zoom session is required, it will be scheduled for a later date. To join the meeting by phone, please contact Katharine Watkins by phone at (843) 768-9121 or by email at [kwatkins@townofseabrookisland.org](mailto:kwatkins@townofseabrookisland.org) for dial-in instructions.
