

## Blue Tarp Contractors

Updated December 1, 2023

The list below includes local contractors who offer emergency “blue tarp” services, such as placing temporary protective coverings over damaged structures. While all contractors are licensed by the Town of Seabrook Island, the town makes no representation or warranty regarding the qualifications or availability of any contractor. Property owners are solely responsible for making any arrangements with a blue tarp contractor and for any fees for the performance of such services.
