## **ARTICLE II. HEALTH AND SANITATION**

### **Sec. 14-20. Definitions.**

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(b) *Public nuisance* includes any condition or use of any property that in the determination of the town:

- (1) Substantially endangers the public health or safety;
- (2) Creates an unreasonable risk of injury in the use of the property, or of the surrounding properties; or
- (3) Obstructs so as to render dangerous any street, watercourse or drainage structure.

**~~Sec. 14-21. Penalty.~~**

~~In addition to any remedial or abatement action required under this article, any person who shall cause, maintain or permit the creation of a public nuisance shall be guilty of a misdemeanor and shall be subject to the penalties as set forth in section 1-7.~~

**~~Sec. 14-22. Property maintenance required.~~**

~~No property within the town shall be used or allowed to deteriorate so as to create a public nuisance.~~

**~~Sec. 14-23. Notice to property owner; contents.~~**

~~Upon discovery of the existence of a public nuisance, the town shall provide written notice to the property owner to abate or remove such nuisance. The notice shall provide for the abatement or removal of the nuisance within a reasonable time, not to exceed 30 days from the date of notification, to be determined by the town based upon the severity of the nuisance and the imminent risk of public health or safety. The notice shall state that unless such nuisance is so abated, the town will cause it to be abated and will charge the costs associated therewith to the owner.~~

**~~Sec. 14-24. Abatement.~~**

- ~~(a) Authority. If the public nuisance is not abated within the time provided in section 14-23, or if the property owner cannot be found, the town may cause the abatement or removal of such public nuisance.~~
- ~~(b) Costs to be paid by property owner. All costs associated with the town's abatement of such nuisance shall be collected as a debt from the owner.~~

**Sec. 14-~~25~~21. Debris-generating event—Removal of debris on public or private property.**

- (a) *Intent and purpose.* The primary mission of the town will be to protect lives and property, restore services, and clear streets. Depending on the severity of the disaster and after accomplishment of the primary mission, resources may be available to the town that may not be available to private communities. The intent and purpose of this part is to establish a process by which the town may evaluate and, if necessary, remove debris from the roadways of private communities in the event of an immediate threat to life, public health, and safety after a significant disaster. While the town recognizes, as a general proposition, that the removal of debris from the roadways of private communities is the responsibility of private communities, there are occasions when the magnitude of the disaster may compel the need to remove debris from the roadways of private communities in order to prevent or minimize an immediate threat to the health, safety, and welfare of the community and the economic recovery of the town.
- (b) *Private communities.* The town shall remove debris from the roadways of private communities when such debris is determined to pose an immediate threat to the health, safety, and welfare of the community and the economic recovery of the town under the guidelines set forth in this article. The mayor and town council or their designee shall determine whether there is an immediate threat to the public health, safety, welfare and economic recovery of the town sufficient to warrant removal of all or a portion of said debris from private roadways. The following standards shall be considered in making such determination:
- (1) There is a significant likelihood that emergency and rescue vehicles will be significantly hindered from providing emergency services to residential and commercial property should the debris be allowed to remain in place absent town removal.
  - (2) The debris removal is necessary to effectuate orderly and expeditious restoration of utility services including, but not limited to, electricity, water, sewer, and telephone.
  - (3) The debris has a substantial negative impact in preventing or adversely affecting emergency repairs to buildings and/or property.
  - (4) The debris significantly adversely impacts the town's recovery efforts.
  - (5) The sheer volume of debris is such that it is impractical and unreasonable to remove the debris in an orderly and efficient manner absent action by the town.
  - (6) The debris removal is necessary to ensure the economic recovery of the town and surrounding areas.
- (c) *Waiver.* With regard to eligibility for federal public assistance funding, the Federal Emergency Management Agency (FEMA) may waive the requirement for the mayor

and town council or their designee to evaluate the criteria listed in subsection 14-25(b) as a condition precedent to town action depending on the severity of the situation.

- (d) *Indemnification and hold harmless.* Prior to removal or clearance of debris from private roadways by the town as contemplated herein, the private community association and/or governance board shall by agreement in form and substance reasonably satisfactory to the mayor and town council indemnify and hold harmless, to the maximum extent permitted by law, federal, state, and local governments and all employees, officers, and agents associated with the rendering of such service.

**Sec. 14-~~26~~22. Same—Abatement.**

- (a) *Authority.* With respect to public nuisances created by a debris-generating event, the town, using its resources, which include, but are not limited to, debris-removal contractors or debris-monitoring services, is unconditionally authorized to take emergency measures to abate the nuisance by entering private property upon which a nuisance exists and removing debris therefrom.
- (b) *Right of entry; notice.* Depending upon the severity of the nuisance and the immanency of the risk to the public interest, the town may, in the mayor's discretion, enter private property and remove debris therefrom without notice to the property owner. Where, in the mayor's discretion, it is practicable to do so, the town shall notify the property owner and allow him a reasonable opportunity to remove, or cause to be removed, debris therefrom.
- (c) *Property owner responsible for costs.* To the extent that any cost associated with the abatement of a public nuisance created by a debris-generating event is attributable to the acts or omissions of the owner of a parcel of property, the town may seek any remedy available to it to recoup such cost, including, but not limited to, the remedies granted by this article.
- (d) Nothing contained in this section of the Seabrook Island Town Code shall be deemed to create any private right or cause of action in favor of any person or entity against the town.

**SECTION 3. Repealing Section 22-21 of the Town Code.** The Town Code for the Town of Seabrook Island, South Carolina; Chapter 22, Solid Waste; Article II, Garbage and Refuse Collection and Disposal; is hereby amended so as to repeal Section 22-21, Prohibited Practices; in its entirety.

**~~Sec. 22-21. Prohibited practices.~~**

~~No person shall dump, place, or deposit or allow the dumping, placing, or depositing of any refuse, garbage, fill of any type, or other substances in any channel, stream, ditch, river, marsh, sewer, storm sewer or other waterway within the town. Any violation of this~~

~~section will require mitigation along with such fines or penalties imposed under section 1-7.~~

**SECTION 4. Severability.**

If any section, subsection, paragraph, clause, or provision of this ordinance shall be deemed to be unconstitutional, unenforceable, or otherwise invalid by the final decision of a court of competent jurisdiction, it shall be construed to have been the legislative intent of Town Council to pass said ordinance without such unconstitutional provision, and the validity of all remaining sections, subsections, paragraphs, clauses, or provisions of said ordinance shall not be affected thereby. If said ordinance, or any provision thereof, is held by the final decision of a court of competent jurisdiction to be inapplicable to any person, group of persons, property, kind of property, circumstances or set of circumstances, such holding shall not affect the applicability thereof to any other persons, property or circumstances.

**SECTION 5. Conflicting Ordinances Repealed.**

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

**SECTION 6. Effective Date.**

This ordinance shall be effective from and after May 1, 2024.
