APPROVAL OF MINUTES

1. **Regular Meeting: November 6, 2019:** Ms. Patterson noted an error in the third paragraph on page 3 of the draft minutes and offered a correction. Ms. Patterson made a motion to approve the minutes from the November 6, 2019, meeting as amended. Mr. Otstot seconded the motion. The motion was **APPROVED** by a vote of 3-0.

OLD BUSINESS ITEMS

_There were no Old Business Items._

NEW BUSINESS ITEMS

1. **Commercial Review: Salty Dog Café (Walkway Extension and Fire Pit):** Chairman Driscoll called on representatives from the Salty Dog Café to present their request. Mr. Andrew Dupps from the Greenery (contractor) spoke on behalf of the applicants. Mr. Dupps stated that the applicants were seeking to extend a five-foot wide composite walkway at the rear of the restaurant. This material would be similar in size and appearance to the existing walkways on the property. The applicants were also seeking approval to install a 56-inch fire pit inside a new concrete patio which was proposed to be 13-feet in diameter. The fire pit and patio would also be located at the rear of the restaurant, between an existing patio and the boardwalk along Bohicket Creek.
Chairman Driscoll asked whether staff had any comments and recommendations. Town Administrator Cronin noted that the plans presented during today’s meeting were slightly different than those submitted in advance of the meeting. He stated that he did not have any concerns about the walkway, but that a concrete patio would need to be set back at least 25 feet from the critical line. Based on the location of the critical line, a 13-foot patio in the proposed location would encroach into the setback. To install a patio in this location, the applicants would first need to apply for a variance from the Board of Zoning Appeals. He noted that if the applicants instead chose to install a paver patio with pervious base, it would only need to be 15 feet from the critical line. Otherwise, absent a variance, the concrete patio would either need to be reduced in size or placed further back from the critical line. Mr. Dupps stated that he would need to take these comments back to the Salty Dog to determine how they would like to proceed.

Chairman Driscoll asked if there was anything that the Planning Commission could approve today. Town Administrator Cronin responded that the Planning Commission could authorize the Town Administrator to issue the permit for an alternate patio design and/or location that conforms to the town’s setback requirements.

Chairman Driscoll made a motion to approve the walkway extension, and to authorize the Town Administrator to issue a permit for a pervious patio located at least 15 feet from the critical line, or a concrete patio located at least 25 feet from the critical line. Mr. Otstot seconded the motion. The motion was **APPROVED** by a vote of 3-0.

2. **Architectural Review: Village at Seabrook “Garden Gem” Model:** Town Administrator Cronin provided a brief overview of the request, the purpose of which was to review and approve a new single-family home design for use in the Village at Seabrook. Town Administrator Cronin stated that the proposed “Garden Gem” model, which was prepared by Kenneth Miller of Kenneth Miller Architecture, LLC, had been reviewed and approved by both the Village at Seabrook Regime Board, as well as the SIPOA Architectural Review Committee. Therefore, town staff recommended in favor of approval.

Ms. Patterson stated that she was the president of the Village at Seabrook Board and, therefore, would be recusing herself from voting on this item. *(See attached recusal statement.)*

Chairman Driscoll asked Ms. Patterson, as president of the Village at Seabrook Board, to confirm that the model had in fact been approved by the regime. Ms. Patterson responded in the affirmative, noting that the regime board required that the chimney shroud must match the roof, consistent with the regime standard. Chairman Driscoll also asked Ms. Katrina Burrell, ARC Administrator for SIPOA, to confirm whether the model had been approved by the ARC. Ms. Burrell also responded in the affirmative.

Chairman Driscoll made a motion to approve the architectural design of the Garden Gem model on Lot B-26 in the Village at Seabrook (3037 Seabrook Village Drive). Mr. Otstot seconded the motion. The motion was **APPROVED** by a vote of 2-0, with Ms. Patterson recused.
Chairman Driscoll then made a subsequent motion to classify the Garden Gem model as an “approved model” within the Village at Seabrook, and to authorize the Town Administrator to approve the use of this model on other lots within the Village without the necessity of additional review and approval by the Planning Commission. Mr. Otstot seconded the motion. The motion was APPROVED by a vote of 2-0, with Ms. Patterson again recusing herself from voting on this matter.

3. **2020 Planning Commission Meeting Schedule**: Town Administrator Cronin provided a draft meeting schedule for 2020. He stated that the regularly scheduled Planning Commission meeting was proposed to be moved from the first Wednesday of each month to the second Wednesday of each month, but that the start time of each meeting would remain at 1:30 PM. The only month that would deviate from this schedule would be November, due to the Veterans Day holiday falling on the second Wednesday. Therefore, the November meeting was proposed for November 4, 2020. Chairman Driscoll made a motion to approve the meeting schedule as presented. Ms. Patterson seconded the motion. The motion was APPROVED by a vote of 3-0.

**ITEMS FOR INFORMATION / DISCUSSION**

1. **Request for Zoning Text Amendment: SIPOA LED Signs**: Town Administrator Cronin noted that the Planning Commission had previously requested additional information from SIPOA regarding their request to amend the Development Standards Ordinance (DSO) to allow LED signs within the town limits. Town Administrator Cronin stated that he had received a letter from SIPOA in response to this request and a copy of the letter was included in the agenda packet. Chairman Driscoll recognized Ms. Heather Paton, the Executive Director of SIPOA, who was in the audience. Ms. Paton provided additional information regarding this request. Prior to drafting a text amendment, Town Administrator Cronin stated that he wanted to get some guidance from the Planning Commission regarding 1) whether they believe the DSO should be amended to allow LED signs; and 2) if so, what types of restrictions (if any) should be put in place to govern their use. A detailed discussion took place regarding types and potential locations of LED signs, general restrictions, pros and cons, and legal considerations. The general consensus of the Planning Commission was that the DSO should be amended to allow LED signs, but only in very limited circumstances. Town Administrator Cronin stated that he would work with the SIPOA and the Town Attorney to prepare a draft text amendment that achieves these objectives.

2. **Freshfields Senior Living Facility Encroachment Permit Update**: Town Administrator Cronin notified members of the Planning Commission that he had issued a formal encroachment permit to Atlantic Partners II on November 22, 2019, subject to the terms and conditions of the settlement agreement. This was the final step in the approval process for this project. He stated that representatives from the town also met with representatives from Atlantic Partners II, Big Rock, Balfour Beatty, the Reveer Group and the Town of Kiawah Island on November 14th to discuss “next steps” and timelines for the project.

3. **PUD Amendment: Village at Seabrook**: Town Administrator Cronin stated that he was
continuing to work on the PUD amendment for the Village at Seabrook and would likely have it ready for the January meeting. He stated that he intended to have it on the agenda for today’s meeting; however, he was unable to complete the draft ordinance due to an unexpected medical emergency in mid-November that kept him out of the office for the better part of two weeks.

4. **Commissioner Recognition**: Town Administrator Cronin presented Chairman Driscoll with a Certificate of Community Service from Mayor John Gregg in recognition for his six years of service on the Planning Commission. Chairman Driscoll’s term on the Planning Commission was scheduled to expire at the end of the year and he had elected not to seek reappointment for an additional term. Ms. Patterson announced that today would also be her last meeting as a member of the Planning Commission. She stated that she intended to resign at the end of the year in order to care for a member of her family who was ill. Town Administrator Cronin also recognized Ms. Patterson and thanked her for her service to the town.

There being no further business, Chairman Driscoll asked for a motion to adjourn. Ms. Patterson made a motion to adjourn the meeting. Mr. Otstot seconded the motion. The motion was **APPROVED** by a vote of 3-0, and the meeting was adjourned at 3:16 PM.

The Planning Commission is asked to review and provide a recommendation to Town Council on an ordinance to amend the Planned Unit Development (PUD) ordinance for the Village at Seabrook subdivision.

The original PUD for the Village at Seabrook, previously known as “Area Six” or the “Lake Entry Tract,” was originally adopted by Town Council on February 22, 2000 (Ord. 2000-01). The PUD ordinance was subsequently amended by Council on June 5, 2000 (Ord. 2000-08). A final subdivision plat was recorded in December of 2001, and construction of new residential units began shortly thereafter.

Because the Village was developed as a PUD, it is subject to a variety of project-specific zoning requirements. Among these are the following setback requirements, which were incorporated into the concept plan attached as Exhibit B to Ordinance 2000-08:

- Front Yard Setback: 30 feet
- Side Yard Setback: 15 foot separation between structures
- Rear Yard Setback: 25 feet (15 feet for open decks when abutting open space areas)

One of the primary concerns raised by some residents in the Village has been the absence of a defined side yard setback requirement. In June of 2019, the Zoning Administrator issued a written determination that the current PUD ordinance does not establish a minimum side yard setback, and instead requires only a 15-foot separation between structures. A resident of the Village at Seabrook regime subsequently filed an appeal of this determination. The Board of Zoning Appeals considered this appeal on August 15, 2019, at which time they unanimously upheld the Zoning Administrator’s determination.

The Village PUD also contains a provision that in the event of conflict between the PUD ordinance and the DSO, the more restrictive shall prevail. Over time, there have been several text amendments to loosen the requirements of the DSO. One of these amendments allows uncovered steps to encroach up to 10’ into the required front yard setback. Another amendment allows a reduced front yard setback along secondary frontages for corner lots. Because the Village PUD was never amended to incorporate these changes, the PUD is more restrictive and, at least technically, should control. However, previous Zoning Administrators have applied these changes to new development within the Village, even though it conflicts with the PUD ordinance.
The Village PUD also contains a provision which incorporates the private covenants and restrictions for the regime into the ordinance as Exhibit C. This is a highly unusual situation which has caused additional confusion. For example, the covenants and restrictions require architectural review and approval by the Planning Commission, even though detached single-family residences are exempt by ordinance. Inclusion of the covenants and restrictions into the PUD ordinance also creates confusion as to whether the regime can unilaterally amend its covenants, or whether the town must also amend the PUD ordinance. For example, the regime board has amended its covenants to implement maximum square footage requirement for residential dwellings; however, this requirement was never incorporated into the PUD.

For these reasons, Town Council requested in 2019 that the Planning Commission review and prepare a draft ordinance to amend the requirements of the Village PUD. The attached ordinance, if adopted, will accomplish the following:

- Incorporates a provision from the current DSO to allow corner lots to take advantage of a reduced front yard setback (20 feet) along the secondary street frontage;
- Incorporates a provision from the current DSO to allow uncovered front steps to encroach into a front yard setback;
- Establishes a minimum side yard setback of 7.5 feet, unless, however, a structure on a neighboring lot is situated less than 7.5 feet from the shared side property line. In such instances, an additional setback will be required to ensure that no two structures are situated less than 15 feet apart;
- Incorporates a provision from the current DSO to allow a reduced rear yard setback for uncovered decks when the lot abuts an open space area;
- Clarifies the rear yard setback requirement for pie-shaped lots which do not have a defined rear property line;
- Clarifies that corner lots are defined to have two front yards and two side yards, consistent with the requirements of the DSO;
- Removes the private covenants and restrictions for the Village at Seabrook regime from the text of the PUD ordinance;
- Exempts detached residential units in the Village from the architectural review requirements of Section 14 of the DSO, as long as the architectural plans have been reviewed and approved by a duly constituted architectural review board (similar to all other single-family homes); and
- Specifies that in the event of conflict between the PUD ordinance and the Town Code and/or DSO, the provisions of the PUD ordinance shall prevail.

Staff Recommendation

While the majority of these changes may be considered minor “clarifications” or “updates” to bring the PUD into conformity with the DSO, there will inevitably be some impacts to existing property owners.

To date, there have been 57 homes completed in the Village. Of these, a total of 23 (40.4%) contain at least one side yard setback that is less than 7.5 feet. As a result, these 23 homes will become non-conforming with the requirements of the amended PUD ordinance. While any existing home would
be considered existing non-conforming (ie. “grandfathered”), all future modifications and/or improvements to those homes (including additions, accessory structures and HVAC and generator stands) would need to conform to the new setback requirements. Therefore, this ordinance has the potential to create a hardship for the owners of those 23 homes.

On the other hand, the imposition of a 7.5 minimum side yard setback creates more certainty for the owners of vacant lots, as well as those abutting vacant lots. These amendments will ensure that all new structures (and modifications to existing structures) are located at least 7.5 feet from a shared property line. In the event there is an existing home on a neighboring lot which is less than 7.5 feet from the shared property line, a larger setback would still be required to ensure that no two structures are situated less than 15 feet apart.

This ordinance has been prepared at the request of the Mayor and Council and, therefore, is a policy decision of Council.

Respectfully submitted,

Joseph M. Cronin
Town Administrator

Exhibit B

Village at Seabrook Project Map (As Amended)
Catherine Patterson (hereafter, the “Appellant”) is the owner of real property located at 4064 Bridle Trail Drive (Tax Map # 147-00-00-125), located within the Village at Seabrook Subdivision (hereafter, the “Village at Seabrook”) in the Town of Seabrook Island (hereafter, the “Town”), County of Charleston, State of South Carolina.

On June 3-4, 2019, the Town’s Zoning Administrator (hereafter, the “Zoning Administrator”) issued the following Letters of Determination relative to the setback requirements for certain lots within the Village at Seabrook subdivision:

- **Letter of Determination for Setback Requirements – Village at Seabrook Lot B-23**
  - To: BobNitkewicz, NV Realty, 1900 Seabrook Island Road, Seabrook Island, SC 29455
  - Issued: June 3, 2019

- **Letter of Determination for Setback Requirements – Village at Seabrook Lot B-26**
  - To: K.C. Miller, Kenneth Miller Architecture, 1912 Planters Drive, Charleston, SC 29414
  - Issued: June 3, 2019

- **Letter of Determination for Setback Requirements – Village at Seabrook Lots A-06 & B-01**
  - To: Kevan Hoertdoerfer, Kevan Hoertdoerfer Architects, 538 King St, Charleston, SC 29403
  - Issued: June 4, 2019

In each of the above referenced Letters of Determination, the Zoning Administrator determined that the following setback requirements would apply to all lots within the Village at Seabrook:

• **Setback Requirements**
  - Minimum setback of 30 feet for all lots
  - Additional setback requirements for front yards
  - Minimum lot width of 75 feet
  - Maximum lot width of 125 feet

In accordance with the Zoning Administrator’s determinations, Catherine Patterson has appealed the setback requirements to the Board of Zoning Appeals. The Board of Zoning Appeals, upon consideration of the appeal, renders the following decision:

The Board of Zoning Appeals, after careful review of the appeal and the evidence presented, hereby affirms the Zoning Administrator’s determinations regarding the setback requirements for the Village at Seabrook Subdivision. The setback requirements as outlined in the Letters of Determination are hereby confirmed as applicable to all lots within the Village at Seabrook.

In the interest of ensuring compliance with the setback requirements and maintaining the aesthetic and functional integrity of the Village at Seabrook Subdivision, the Town of Seabrook Island encourages all property owners to adhere to the setback guidelines as specified in the Letters of Determination.

The Town of Seabrook Island, through the Board of Zoning Appeals, stands committed to upholding the standards set forth in the Village at Seabrook Subdivision’s Zoning Ordinance. Any questions or concerns regarding the setback requirements or the appeal process may be directed to the Town’s Planning and Development Department at (843) 884-0066.
• **Front Yard Setbacks:** The minimum front yard setback requirement shall be 30 feet from the street right-of-way for all lots within the Village at Seabrook; provided, however:
  
  o For corner lots wherein one street frontage is a cul-de-sac street, the minimum setback shall be 30 feet from the cul-de-sac street and 20 feet from the intersecting street; and
  
  o Uncovered front steps may extend into the front setback but may not be less than twenty 20’ from the property’s front lot line.

• **Side Yard Setbacks:** There is no minimum side yard setback requirement for lots within the Village at Seabrook; provided, however:
  
  o In instances where a side yard is required, the total of both side yard setbacks shall be at least 15 feet, and no detached structure may be situated closer than 15 feet to another structure; and
  
  o For the sake of consistency among neighboring lot owners, a minimum side yard setback of 7.5 feet is recommended, though not required by the PUD or DSO.

• **Rear Yard Setbacks:** The minimum rear yard setback requirement shall be 25 feet from the rear property line; provided, however:
  
  o For lots abutting an open space area (lake, lagoon, golf course, etc.), an open deck may encroach no more than 10 feet into the required rear yard setback;
  
  o For pie-shaped lots that do not have a defined rear property line from which to apply a rear yard setback (Lots B-22, B-23, B-26 and C-24), the Zoning Administrator interpreted that the rear yard setback shall be measured from the point where the two side property lines intersect at the rear of the property. This will ensure that the rear setback line is roughly parallel to the (curvilinear) front setback line, consistent with non-pie-shaped lots; and
  
  o Corner lots are defined by ordinance to have two front yards and two side yards. Therefore, a rear yard setback shall not be required for any corner lot within the Village at Seabrook. The requirements for front and side yard setbacks were further outlined elsewhere in the Letters of Determination.

Copies of the above referenced Letters of Determination were sent by the Zoning Administrator to the Appellant (in her role as President of the Village at Seabrook Regime) and to representatives of the Seabrook Island Property Owners Association.

On July 1, 2019, the Appellant submitted a Notice of Appeal (Appeal #39) to the Town’s Board of Zoning Appeals (hereafter, the “Board”) contesting the Zoning Administrator’s determination. In her Notice of Appeal, the Appellant argued that:
• The Zoning Administrator’s determination was inconsistent with the Master Plan for the Village at Seabrook;

• The Zoning Administrator’s determination may make some lots unbuildable, may decrease the value of some lots and homes, and would change the uniform appearance of the Village at Seabrook;

• The setback requirements illustrated on the final plat are what should be applied to lots in the Village at Seabrook; and

• The master plan and original intent of the Village at Seabrook, as shown on the plat map, should be followed and all existing non-conformities should be grandfathered.

A public hearing on Appeal #39 was advertised, pursuant to § 19.40 of the Town’s Development Standards Ordinance (hereafter, the “DSO”) and held at 2:30 PM on August 15, 2019, at Seabrook Island Town Hall. During the public hearing, the Board heard testimony from the Zoning Administrator and the Appellant, as well as from interested property owners and their representatives. An agenda packet, including supporting materials, was prepared and distributed to members of the Board and the Applicants in advance of the meeting. The obligation for delinquent Assessments shall run with such Lot and shall pass to the Owner's successors in title. Upon written request, the Association shall provide or cause to be provided an accounting of an Owner's Assessments and any delinquency in the payment thereof. All reports of delinquency must be given subject to any state and federal laws regarding disclosure of a debtor's financial information.

At least thirty (30) days prior to the end of the calendar year, the Board of Directors shall determine the amount of the Annual Assessment for the following calendar year, and shall notify every Owner subject thereto.

d. **Special Assessments**

i. In addition to the Annual Assessments authorized above, the Association may levy, in any fiscal year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of any capital improvement upon The Village at Seabrook Common Properties, including, but not limited to, fixtures, personal property related thereto and for any other purposes not prohibited by this Declaration, provided, however, that such Special Assessment shall have the assent of two thirds (2/3rds) of the votes of each class of Members voting in person or by proxy at a meeting called for such purpose. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same or foreclose the lien against such Owner’s Lot in like manner as a mortgage of real property, or both. Upon exercise of its right to foreclose, the Association may elect to declare the entire remaining amount of the outstanding Assessment(s) due and payable and collect the same through foreclosure. Penalties (as determined by the Board), interest, costs, and reasonable attorneys' fees of such action or foreclosure shall be added to the amount of such Assessment, and collectable as such Assessment.

f. **Subordination of Lien.** The lien of Assessments provided for herein shall be subordinate to the lien of any first mortgage upon any Lot, and subordinate to any lien for assessments due the SIPOA. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure shall extinguish the lien of such Assessments as to the payment of the portion thereof which became due prior to such sale or transfer. Further, no diminution abatement or deferral of Assessments or any dues or charges shall be claimed or allowed by reason of any alleged failure of Declarant or the Association to take action or perform a function required to be taken or performed by Declarant or the Association under this Declaration, or for inconvenience or discomfort arising from the making of improvements or repairs which are the

By the acceptance and the recordation of a deed of conveyance to any Lot Owner in the R.M.C. Office, such Owner acknowledges that such Owner and/or his counsel have reviewed this Declaration, and that any rule of construction to the effect of ambiguities shall be resolved against the drafting party shall not apply in the interpretation of this Declaration, the By-Laws, or any amendments thereto.

k. Termination of Association. In the event this Declaration is declared void, invalid, illegal, or unenforceable in its entirety, or in such a significant manner that the Association is not able to function substantially as contemplated by the terms hereof, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto or the subject matter hereof, and such adjudication occurs within ten (10) years of the date of recording of this Declaration, all The Village at Seabrook Common Properties and other properties belonging to the Association at the time of such adjudication shall revert to the Declarant, its successors and assigns, and the Declarant, its successors and assigns, shall own and operate said The Village at Seabrook Common Properties and other properties as trustee for the use and benefit of the Owners as set forth herein. If said adjudication shall occur on a date more than ten (10) years after the date of recording of this Declaration, or if the Owners should vote not to renew and extend this Declaration as provided for in Paragraph 8(a) hereof, all The Village at Seabrook Common Properties and other properties owned by the Association at such time shall be transferred by the Association to a trustee appointed by the Court of Common Pleas of Charleston County, South Carolina, which trustee shall own and operate said The Village at Seabrook Common Properties and other properties for the use and benefit of Owners within the Subdivision as set forth herein.

i. In any of the foregoing events, each Lot shall continue to be subject to the Assessments which shall be paid by the Owner to the Declarant or trustee, whichever becomes successor in title to the Association. The amount of the Assessments which may be charged by the Declarant or trustee shall be
established in accordance with the provisions therefor set forth in Paragraph 5 hereof.

ii. Any past due Assessments together with any delinquent payment fees thereon, and all costs of collection, interest and reasonable attorneys' fees, shall continue to be the personal obligation of the Owner and a continuing lien on the Lot and all improvements thereon against which the Assessment was made.

iii. Neither the Declarant nor the trustee shall have the obligation to provide for the operation, maintenance, repair, and upkeep of The Village at Seabrook Common Properties once the funds provided by the Assessments may have become exhausted.

iv. The Declarant or trustee shall have the right and power to convey title to The Village at Seabrook Common Properties and to assign the rights of Declarant and the Association hereunder, provided that such conveyance is first approved in writing by the Owners of not less than fifty-one percent (51%) of the Lots, with each Lot, if more than one Owner, having one collective vote, and provided further, that the transferee accepts title to The Village at Seabrook Common Properties subject to the limitations and uses imposed hereby, and affirmatively acknowledges in writing its acceptance of the duties imposed hereby. My Commission Expires ____________
BY-LAWS
OF
THE VILLAGE AT SEABROOK PROPERTY OWNERS ASSOCIATION, INC.

1. NAME AND LOCATION

The name of the Association is The Village at Seabrook Property Owners' Association, Inc. The initial principal office of the Association shall be located at 17 Lockwood Drive, Rice Mill Building, Charleston, South Carolina, 29401, but meetings of Members and Directors may be held at such places within the State of South Carolina as may be designated by the Board of Directors.

2. DEFINITIONS

The words and terms used in the within By-Laws or any supplemental or amended set of By-Laws, unless the context shall clearly indicate otherwise, shall have the same meanings as set forth in the Declaration of Covenants and Restrictions for The Village at Seabrook about to be recorded in the R.M.C. Office, (the "Declaration"), which said Declaration is incorporated herein by reference. Other definitions may appear throughout this instrument and shall have the meanings more particularly set forth herein.

3. MEMBERSHIP AND VOTING RIGHTS

a. Association Membership. Declarant and every person or entity who is a record Owner of a fee simple or undivided fee simple interest in any Lot which is subjected by the Declaration to Assessment by the Association shall be a Member of the Association; provided that any such person or entity holding record title or interest merely as a security for the performance of an obligation shall not be a Member of the Association. Membership shall be appurtenant to and shall not be separated from ownership of any Lot which is subject to Assessments.

b. Membership Rights. The rights of Membership are subject to the payment of Assessments levied by the Association, from time to time, the obligation of which Assessments is imposed against each Owner of and becomes a lien upon the Lot against which such Assessments are made, as provided by Paragraph 5 of the Declaration. Subject to the terms of the South Carolina Nonprofit Corporation Act ("Act"), a Member may be suspended if not less than fifteen (15) days prior written notice sent by first class or certified mail of the proposed suspension of a Member and the reason therefor has been delivered to such Member in accordance with the procedures set forth in Paragraph 4(f) hereof. Such notice shall set forth the date, place, and time such Member shall be given the opportunity to be heard orally by the Board of Directors, which shall be not less than five (5) days before the effective date.
of the suspension. Such written notice shall also set forth the address of the Board of Directors to which and by which such Member may be heard. Upon the affirmative vote of two-thirds of the Board of Directors of the Association, acting fairly and reasonably taking into consideration all of the relevant facts and circumstances, the Board of Directors may suspend a Member; however, if the Member is suspended for failure to pay Assessments, upon the Member's payment in full of such Assessments, such rights and privileges shall be automatically restored. A Member who has been expelled or suspended shall remain liable to the Association for dues, assessments, or fees as a result of obligations incurred or commitments made before such suspension.

c. Voting Rights. The Association shall have two classes of voting membership:

i. Class A. Class A Members shall be every Owner, including Declarant, and shall be entitled to one vote for each Lot owned. Declarant's Class A Membership shall continue for so long as it owns at least one Lot. When more than one person, other than Declarant, holds title to a Lot, all such persons shall be Members, but shall collectively have only one vote, and in no event shall more than one vote be cast with respect to any one Lot.

In the event joint Owners of a Lot fail to determine the manner in which their vote is to be cast, such vote shall nevertheless be counted and considered as an affirmative vote for the measure. In addition, when such a vote is considered as affirmative for the measure and (i) is the "deciding" vote necessary to carry the measure, and (ii) all joint Owners of each Lot casting an affirmative vote are required to execute an instrument in connection with the passage of the measure (such as in the case of an Amendment in accordance with Paragraph 8(b) of the Declaration), and (iii) one or more of the joint Owners of such Lot failing to determine the manner in which their vote is to be cast refuses to execute such required instrument, the President of the Association may attach a sworn affidavit to such instrument reciting the circumstances of the vote (including a statement that the joint Owners of such Lot received proper notice in accordance with these By-Laws, failed to determine the manner in which their vote should be cast and as a consequence their vote was considered as affirmative in the voting on the measure in accordance with these By-Laws) and thereupon the validity and enforceability of such instrument shall not be affected or be subject to question by reason of the lack of the execution thereof by any one or more of the joint Owners of such Lot.

When one joint Owner signs a proxy or purports to vote for his or her co-Owners, such vote shall be counted and bind all, unless the other joint Owners object in writing.
ii. **Class B.** Declarant, its successors and assigns, shall be the only Class B Member. The Class B Member shall be entitled to ten (10) votes for each of the Lots in which it holds an interest. The Class B Membership of Declarant shall cease on the happening of any of the following events, whichever first occurs:

1. when the Declarant executes and records in the R.M.C. Office an instrument forfeiting its Class B Membership; or

2. when the Declarant, its successors and assigns no longer owns a Lot.

d. **Proxies.** Each Member entitled to vote may vote in person or by proxy at all meetings of the Association. All proxies shall be executed in writing by the Member or his duly authorized attorney-in-fact, and filed with the Secretary of the Association or such other officer or agent of the Association authorized to tabulate votes before or at the time of the meeting; provided, however, that proxies shall not be required for any action which is subject to a referendum. Unless a proxy states otherwise, it shall be deemed to confer the authority to execute consents and waivers and to exercise the right to examine the books and records of the Association. A proxy may be revocable or irrevocable but shall be deemed revocable at will unless it states otherwise. An appointment of a proxy is revoked by the person appointing the proxy (i) attending any meeting and voting in person, or (ii) signing and delivering to the Secretary or other officer or agent of the Association authorized to tabulate votes for the Association either a written statement that the appointment of the proxy is revoked or a subsequent appointment form. If at least ten (10) days (thirty (30) days if notice is mailed by other than first class or registered mail) prior to a duly called meeting a Member is informed pursuant to the provisions of Paragraphs 4(e) and 4(f) herein of (a) the time and place of the meeting, (b) the agenda for the meeting, and (c) such data as is then available relative to the issues on which there will be a vote, and a proxy form is included in such mailing, and the Member neither attends the meeting nor returns an executed proxy, then such Member shall be deemed present for purposes of determining a quorum and shall be deemed to have given his proxy to and for the majority present and voting. No proxy shall extend beyond the date of the meeting for which it is given unless such meeting is adjourned to a subsequent date; and no proxy shall be valid for more than three (3) years from the date of execution. Any proxy shall automatically cease upon sale by the Member of his Lot.

4. **MEETINGS**

a. **Initial Meeting.** The initial meeting of the Association shall be held upon notice by the Declarant as soon as the Declarant deems practicable and convenient. The
following, matters and such other business as Declarant deems appropriate, shall be
the subject of the initial meeting:

i. adoption of a fiscal year;
ii. approval of a budget for a fiscal year;
iii. determination of the date for commencement of the Annual Assessment, the
billing cycle therefor, and the date upon which such installments shall be due
and payable;
iv. determination of the date of the first and subsequent annual meetings; and
v. election of the initial three person Board of Directors in accordance with
Paragraph 5(b) of these By-Laws.

b. Annual Meetings. The annual meetings of the Association shall be held on a date
determined by the Board. Any business which is appropriate for action of the
Members may be transacted at an annual meeting.

c. Special Meetings. Special meetings of the Association’s Members may be demanded
and called for any one or more lawful purposes by the Association’s President, two
(2) Directors, or the holders of record of five (5%) percent of the Association’s voting
power entitled to vote at such meeting, provided such holders comply with such
demand provisions set forth in the Act and these By-Laws. Upon the written, signed,
and dated demand, which states the purpose of the meeting, being delivered in
accordance with the foregoing to an officer of the Association personally or by
registered or certified mail, the President or Secretary on or before the thirtieth (30th)
day after the date of such demand shall fix the date and time of the meeting and
provide notice thereof to the Members in accordance with Paragraph 4(e) hereof. If
the notice of the meeting is not given within thirty (30) days after the demand is made
to the officer of the Association, a person signing the demand may set the time and
place of the meeting and give notice thereof in accordance with Paragraph 4(e)
hereof. Special meetings of the Members shall be held at a time and location
designated by the person calling the meeting in the notice of the meeting; provided,
however, that if the notice does not designate a time and location, such meetings shall
be held at the Association’s principal office at the hour of ten o’clock in the morning
on the date designated in the notice of the meeting. In the event that the President
and Directors timely designate different times or locations, then the designations of
the Directors shall control; provided, however, any notice changing the time or place
of the meeting shall be effective only if timely received by the Members in
accordance with Paragraph 4(e) hereof.

d. Place of Meetings. All meetings of the Association shall be held at such convenient
place as the Board of Directors may determine.
e. **Notice of Meetings, Waiver of Notice.** Oral or written notice of all meetings of Members shall be given no fewer than ten (10) days, or if notice is mailed by other than first class or registered mail, thirty (30) days, nor more than sixty (60) days before the meeting date by any method permitted under the Act, to all Members of record entitled to vote at such meeting; provided, however, the date upon which such notice shall be deemed effective shall be determined in accordance with Paragraph 4(f) hereof. Such notice shall state the date, time, and place of the meeting, and if required by the Act or these By-Laws the purpose or purposes for which such meetings was called. Notice of a meeting of Members need not be given to any Member who, in person or by proxy, signs a waiver of notice either before or after the meeting, and such waiver is delivered to the Association for inclusion in the Association's records. To be effective such waiver shall contain statements or recitals sufficient to identify beyond reasonable doubt the meeting to which it applies. Such statements or recitals in such waiver of notice may, but need not necessarily, include the reference to the date and purpose of the meeting and the business transacted thereat. Statement or recital of the proper date of a meeting shall be conclusive identification of the meeting to which a waiver of notice applies unless the waiver contains additional statements or recitals creating a patent ambiguity as to its proper application. A Member's attendance at a meeting waives objection to lack of notice or defective notice of the meeting, unless the Members at the beginning of the meeting objects to holding the meeting or transacting business at the meeting.

f. **Effective Date of Member Notices.** An oral notice is permissible if reasonable under the circumstances and is effective when communicated in a comprehensive manner. Written notice, if in comprehensive form, is effective at the earliest of the following:

i. When received;
ii. Five (5) days after its deposit in the United States mail, if mailed correctly addressed with first class postage affixed;
iii. On the date shown on the return receipt, if sent by registered or certified mail, return receipt requested, and the receipt is signed by or on behalf of the addressee; or
iv. Fifteen (15) days after its deposit in the United States mail, if mailed correctly addressed and with other than first class, registered or certified postage affixed.

Written notice is correctly addressed to a Member if addressed to the Member's address shown on the Association's current list of Members (the "List"). A written notice or report delivered as part of a newsletter, magazine or other publication regularly sent to Members constitute a written notice or report if addressed or delivered to the Member's address shown on the List, or in the case of Members who are resident of the same household and who have the same address on the List, if addressed or delivered to one of such Members, at the address appearing on the List.
g. **Quorum Requirements.** The presence at any meeting of Members entitled to cast, or of proxies entitled to cast, fifty-one (51%) percent of the total votes of the Association shall constitute a quorum for any action governed by these By-Laws. Any Owner who does not execute and return the proxy form sent to such Owner in the required mailing shall be deemed to be present for the purposes of determining the presence of a quorum. Any action governed by the Declaration applicable to the Property shall require a quorum as therein provided.

h. **Action Without Meeting.** To the fullest extent permitted by the Act, Members may take action without a meeting by written consent as to such matters and in accordance with such requirements and procedures authorized by the Act. Unless otherwise permitted by the Act, such written consent must be signed by at least fifty-one (51%) percent of the Members and delivered to the Association for inclusion in the corporate records. Written notice of Member approval pursuant to this Paragraph must be given to all Members who have not signed such written consent. If written notice is required, Member approval pursuant to this Paragraph shall be effective ten (10) days after written notice is given and effective in accordance with Paragraph 4(e) and Paragraph 4(f) hereof.

i. **Power of Referendum.** The Members of the Association shall have the power, by referendum, to approve or reject certain actions proposed to be taken by the Association. In the event fifty-one (51%) percent or more, of the total votes actually returned to the Association within the specified time shall be in favor of such action, the referendum shall be deemed to "pass" and the action voted upon will be deemed to have been authorized by the Members; provided, however, that if a higher percentage vote required to "pass" is specifically expressed herein or in any amendment or supplements hereto or in the Declaration, that higher percentage shall control in that instance.

j. **List of Owners and Member of Record.** For the purpose of determining Members entitled to vote at any meeting of Members, or in connection with any other proper purpose requiring a determination of Members, the Board of Directors shall by resolution fix a record date for such determination. Unless otherwise provided for in advance by resolution of the Board of Directors, the record date set by the Board of Directors shall be no more than seventy (70) days, and not less than the last day for timely giving notice, before the meeting or action requiring a determination of Members is to occur. If the Board of Directors fails to set a record date, the Members at the close of business on the business day on which notice is given or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held are entitled to notice of the meeting and to vote thereat. The Members of record appearing in the books of the Association at the close of business on the record date so fixed shall constitute the Members in respect of the activity in question. A determination of Members of record entitled to notice of or to vote at a
meeting of Members is effective for any adjournment of the meeting unless the Board of Directors fixes a new date for determining the right to notice or the right to vote, which it must do if the meeting is adjourned to a date more than one hundred twenty (120) days after the record date for determining Members entitled to notice of the original meeting. After fixing a record date for notice of a meeting, the Association shall prepare a list of names of Members who are entitled to notice of the meeting and shall list the Members by classification of membership, if any. The list shall show the address and number of votes each Member is entitled to vote at the meeting. The Association shall prepare on a current basis through the time of the membership meeting a list of Members, if any, who are entitled to vote at the meeting but not entitled to notice of the meeting. This list must be prepared on the same basis and be part of the list of Members. Such list of Members shall be available for inspection by any Members for purposes of communication with other Members concerning the meeting, beginning the date after notice is given of the meeting for which the list was prepared and continuing through the meeting, at the Association’s principal office. Subject to the limitations of Sections 33-31-720, 33-31-1602(c) and 33-31-1605 of the Act, as amended, a Member, Member’s agents, or Member’s attorney shall be entitled on written demand, at the Member’s expense, to inspect and copy the list at a reasonable time during the period it is available for inspection. The Association shall make the list of Members available at the meeting, and any Member, a Member’s agent, or Member’s attorney shall be entitled to inspect the list at any time during the meeting or any adjournment. Notwithstanding the foregoing, a Member may inspect and copy the membership list only if (i) his demand is made in good faith and for a proper purpose; (ii) he describes with reasonable particularity his purpose; and (iii) the list is directly connected with his purpose.

k. Minutes of Meetings. The Secretary of the Association shall prepare and keep, or cause to be prepared and kept, accurate minutes of every meeting of the Association. The minutes shall be made available for examination by an Member at the office of the Association during normal business hours.
