OLD BUSINESS ITEMS

NEW BUSINESS ITEMS

1. **Rezoning Request: 1146 Ocean Forest Lane:** Chairman Driscoll provided a brief overview of the request, the purpose of which was to review and provide a recommendation to Town Council on the request to rezone Charleston County Tax Map Number 149-13-00-008, containing approximately 0.49 +/- acres located at 1146 Ocean Forest Lane (Block 53, Lot 14), from SFR Single-Family Residential to AGC Agricultural-Conservation. Town Administrator Cronin noted that this property was acquired by the Seabrook Island Greenspace Conservancy for preservation purposes and subsequently donated to the SIPOA for ownership and maintenance. The SIPOA was seeking to rezone the property to ensure it remains protected as greenspace.

Ms. Patterson asked if the town can require greenspace property be open to use. Town Administrator Cronin responded that while the town can permit or regulate certain uses in its zoning ordinance, it does not have the authority to mandate a specific use.

Mr. Otstot expressed his concern over these types of acquisitions and rezonings, as these properties will fall off the SIPOA and Club dues rolls once they are set aside for conservation. Town Administrator Cronin responded that the act of rezoning the properties does not necessarily take them off the rolls. He added that the properties would be protected from future development by virtue of conservation easements regardless of whether they are rezoned or not.

Mr. Ullner asked who is responsible for maintaining these properties. Town Administrator Cronin responded that the SIPOA, as property owner, would be responsible. He added that if the properties remain undeveloped, they would only require minimal maintenance. He also stated that the town has not adopted the International Property Maintenance Code, as many other cities across the state have adopted, so the town’s code enforcement functions are fairly limited.

There being no further discussion, Mr. Ullner made a motion to recommend in favor of approving the rezoning request. Mr. Billian seconded the motion. The motion was approved by a vote of 5-0.

2. **Rezoning Request: 2906 Seabrook Island Road:** Chairman Driscoll provided a brief overview of the request, the purpose of which was to review and provide a recommendation to Town Council on the request to rezone Charleston County Tax Map Number 149-06-00-041, containing approximately 0.31 +/- acres located at 2906 Seabrook Island Road (Block 45, Lot 7), from SFR Single-Family Residential to AGC Agricultural-Conservation. Town Administrator
Cronin noted that this property was acquired by the Seabrook Island Greenspace Conservancy for preservation purposes and subsequently donated to the SIPOA for ownership and maintenance. The SIPOA was seeking to rezone the property to ensure it remains protected as greenspace.

Mr. Billian made a motion to recommend in favor of approving the rezoning request. Mr. Ullner seconded the motion. The motion was approved by a vote of 5-0.

3. Rezoning Request: 2326 Cat Tail Pond Road: Chairman Driscoll provided a brief overview of the request, the purpose of which was to review and provide a recommendation to Town Council on the request to rezone Charleston County Tax Map Number 147-12-00-068, containing approximately 0.83 +/- acres located at 2326 Cat Tail Pond Road (Block 33, Lot 21), from SFR Single-Family Residential to AGC Agricultural-Conservation. Town Administrator Cronin noted that this property was acquired by the Seabrook Island Greenspace Conservancy for preservation purposes and subsequently donated to the SIPOA for ownership and maintenance. The SIPOA was seeking to rezone the property to ensure it remains protected as greenspace.

Ms. Patterson made a motion to recommend in favor of approving the rezoning request. Mr. Billian seconded the motion. The motion was approved by a vote of 5-0.

4. 2019 Meeting Dates and Times: Town Administrator Cronin provided a copy of a proposed meeting schedule for 2019. As in the past, the Planning Commission would continue to meet on the first Wednesday of the month; however, the standing meeting time would be moved to 1:30 PM. He also recommended moving the meeting date in July and September to the second Wednesday due to the Independence Day and Labor Day holidays. Members of the commission expressed support for moving the meeting times to 1:30 PM.

Chairman Driscoll made a motion to approve the meeting schedule as submitted. Mr. Otstot seconded the motion. The motion was approved by a vote of 5-0.

A discussion took place regarding the start time. Mr. Billian made a motion to hold the meeting on February 15th, with the start time to be determined following consultation with planning staff from Charleston County. Chairman Driscoll seconded the motion. The motion was

1. **Mediation Update: Kiawah Senior Living Project Encroachment Permit**

Mr. Otstot made a motion to return to open session. Mr. Billian seconded the motion. The motion was approved by a vote of 5-0, and the Planning Commission returned to open session at 2:55 PM. Chairman Driscoll noted that no votes were taken in executive session.

Mr. Otstot asked for an update on the work taking place at Bohicket Marina. Town Administrator Cronin responded that the town had issued a zoning permit for the repair work, but that all building permits would be issued – and the work would be inspected – by the Charleston County Building Inspections Department. A discussion took place regarding the nature of the repairs. A discussion also took place as to whether the town should install cameras on Seabrook Island Road to see who was causing the ruts in the grass near the marina entrance.

There being no further business, Chairman Driscoll asked for a motion to adjourn. Mr. Otstot made a motion to adjourn the meeting. Mr. Billian seconded the motion. The motion was approved by a vote of 5-0, and the meeting was adjourned at 4:00 PM.

The Planning Commission is asked to review and approve a request from Reliable Property Managers LLC, submitted on behalf of the Live Oak Villas Regime, to remove and replace the existing fence located at the community pool.

The applicant is proposing to remove the existing fence, which is made of wood. There will be no change of footprint, as the new fence will be installed in the same location. The proposed fence will be 54” in height and will be made of black, powder-coated aluminum. The new fence will meet all other requirements of the DSO.

The property is currently zoned for Multi-Family Residential uses.

**Staff Recommendation**

Since there will be no change to the existing fence’s footprint, and there are no zoning issues or concerns related to this request. Amendments to the town’s fence ordinance in the fall of 2018 now allow powder coated aluminum as a permitted fence material. Therefore, staff recommends in favor of **APPROVAL**.

MEMORANDUM

TO: Town of Seabrook Island Planning Commission Members
FROM: Joseph M. Cronin, Town Administrator
SUBJECT: Temporary Use Request for the 2019 Governor’s Invitational Billfish Tournament
MEETING DATE: March 6, 2019

The Planning Commission is asked to review and provide a recommendation to Town Council on a temporary use permit request from Bohicket Marina Investors for the 2019 Governor’s Invitational Billfish Tournament, which will be held at Bohicket Marina and Market (1880-1882 Andell Bluff Boulevard). This year’s events are scheduled to take place on May 8-11, 2019.

Similar to their 2018 request, the applicants are proposing to install a temporary stage and signage prior to the Dolphin Slam on April 27th. The site would remain set up between the two events and would be torn down after the conclusion of the Billfish Tournament. All stages, tents and signage will be located on the back side of the marina, between the marina buildings and Bohicket Creek.

During the Billfish Tournament, one officer from the Charleston County Sheriff’s Office will be on-site each day between 12:00 PM and 4:00 PM, while three officers will be on-site during the evening hours between 4:00 PM and 10:00 PM. Karl Fipps Sr. of Fipps & Sons Auto Service will be used as the 24-hour wrecker service. The vacant lot on Seabrook Island Road (across the marsh from the marina) will be used for overflow parking.

Because the Dolphin Slam is a one-day event, § 13.80.40.30 of the town’s Development Standards Ordinance (DSO) allows the Zoning Administrator to approve this event administratively.

While the Billfish Tournament is scheduled to take place over a four-day period between May 8-11, the applicants are requesting approval to leave the stage and signage up at the marina between the two events. Therefore, the total length of the temporary use permit would be 16 days (April 27th to May 12th), though the stage would remain unused between the two events.

A copy of the application materials and site plan are included for review.

Staff Recommendation

Staff recommends in favor of APPROVAL of the request, with the following conditions:

- For public safety and emergency access purposes, no vehicle parking shall be permitted on Seabrook Island Road or Andell Bluff Boulevard during the Billfish Tournament, with the exception of existing marked spaces.
Respectfully submitted,

Joseph M. Cronin
