

Town of Seabrook Island
Public Safety Committee
Meeting Minutes
11 June 2018

The Public Safety Committee met Monday, 11 June 2018 beginning shortly after 10:00 am at Town Hall. Committee Chair John Gregg was joined by Committee members John Fox, Ed Maher, Allan Keener and Rob Savin. Councilman Skip Crane and Town Administrator Joe Cronin also took part in the meeting. An agenda for the meeting is attached.

1. Minutes of 14 May and 30 May Meetings

Minutes of the Committee meetings of 14 May and 30 May were approved without revision.

2. Debris Management Bid Recommendation

The Committee considered a draft memo summarizing the Committee's evaluation of bids for debris management services and including a recommendation for award of a stand-by contract based on the bid evaluation results. Mr. Gregg agreed to make amendments to the memorandum in accordance with the Committee's discussion and to circulate the revised memorandum to Committee members.

3. Disaster Awareness Day

Mr. Gregg commented briefly regarding the Disaster Awareness Day event, noting in particular that it was well attended.

4. Disaster Recovery Council June Exercise

Mr. Gregg gave a brief summary of the Disaster Recovery Council training and exercise sessions held 5 and 6 June based on an earthquake scenario. In view of challenges posed during those sessions including loss of all utilities, inability to travel overland onto or off of Seabrook Island and presence on Seabrook Island of a substantial number of people, Committee members were asked to review the Earthquake Plan to discuss improvements of the plan at the next Committee meeting. Mr. Savin recommended the novel entitled "One Second After" as a dramatization of survival and recovery from similar conditions following a disaster event (Electromagnetic Pulse). Mr. Gregg indicated that he was expecting to receive the report of the Town's consultant from the June training and exercise sessions and would distribute that report to Committee members.

5. Next Meeting

The next meeting of the Committee was scheduled for Monday, 9 July 2018.

6. Adjourn

The meeting was adjourned at about 11:25 am.
