1. **Call to Order – Pledge of Allegiance – Roll Call – Freedom of Information**

The October 12, 2021 Ways and Means Committee meeting was conducted as a video conference using Zoom and was simultaneously made available to the public via YouTube live stream and by conference call, all in keeping with practices adopted to address the ongoing coronavirus pandemic. Mayor Gregg, Councilmembers Finke, Fox, and Goldstein, Town Clerk Watkins and Town Administrator Cronin participated in the meeting. Mayor Gregg confirmed with the Town Clerk that notice of the meeting was properly posted, and the requirements of the SC Freedom of Information Act were met.

2. **Mayor John Gregg**

   - Follow-up concerning petition directed to regulation of short-term rentals (petition and request for presentation to Council received October 4)

Mayor Gregg summarized the petition the Town received on October 4 that was sent to all Members of Council. He added the petition seeks to have a single non-binding referendum question placed on the ballot for the Town’s election on November 2, 2021. The single question posed is whether “voters support” seven statements pertaining to residential uses of property within the Town and, in particular, calling for caps on short-term rentals. The proposed referendum statements appear to contain references and recitations that pertain to the Town’s current Development Standards Ordinance (DSO). Mayor Gregg reminded members that the Town is in the process of adopting a rewritten DSO for which a temporary (180 day) moratorium has been imposed on changes to the Town zoning map and certain other actions affecting real property within the Town. Under these circumstances, the proposed referendum presents potential for confusion of voters as the Town makes the transition to the rewritten DSO. Further confusion could be engendered by the assertion in the petition that 20% of short-term rentals are “in residential neighborhoods” without specifying whether the referenced “neighborhoods” exclude multi-family residential zoning. Furthermore, notwithstanding a statement of the proposed referendum establishing a cap of 5% on certain areas of the Town, the petition asserts that “20% of properties will remain so (short-term rentals) if Council approves the cap”. In light of the foregoing, it appears that the nature of the proposed referendum is such that it may not be clearly understood by voters and that the community would be well served if the Town would present an explanation as contemplated by State law.
Mayor Gregg noted that the Town Administrator has informed members of certain statutory requirements that foreclose the Town from placing the proposed referendum on the ballot for the Town’s November 2, 2021 election.

Town Administrator Cronin shared the part of SC State Law (Section 7-1-100) which outlines the process for a referendum to be on the ballot.

Council discussed the costs that would be incurred if a special election were to be held, and when to discuss the issue of short-term rentals.

- Follow-up concerning the budget for FY 2022—budget and Mayor’s memo have been distributed to members of Council; first scheduled budget workshop will be Thursday, October 14

- Follow-up on proposed Charleston County re-zoning (Betsy Kerrison Putt-Putt) hearing Tuesday, October 12 at 6:30 pm.

Mayor Gregg summarized the application for a planned development for a miniature golf operation that was submitted to Charleston County Council and a public hearing was scheduled for Tuesday, October 12 for a renewed request for rezoning of property at Betsy Kerrison Parkway adjacent to the Kiawah Municipal Center. He added that the application has been withdrawn.

  Councilman Goldstein summarized the issue with releasing lanterns and balloons on the beach which harm the marine wildlife on Seabrook Island and discussed a potential ordinance to potentially ban these items on the beach and island wide.

  Council discussed further research is needed to make regulations that best fit the Town of Seabrook Island, potentially expanding the plastic ban on Seabrook Island to encompass balloons, editing the beach ordinance as a whole rather than piece mailing it, potential permitted use for these items, and how these items harm the environment. Council also discussed having the proposed Environment and Wildlife Committee (proposed under Ordinance 2021-14 (Town Administrator item)) research this topic and create the ordinance in the future.

AN ORDINANCE AMENDING THE TOWN CODE FOR THE TOWN OF SEABROOK ISLAND, SOUTH CAROLINA; CHAPTER 32, WATERWAYS AND BEACHES; ARTICLE II, BEACHFRONT MANAGEMENT; DIVISION 2, RESTRICTIONS; SECTION 32-42, VEHICLE USE; SO AS TO AMEND THE REQUIREMENTS RELATING TO THE OPERATION OF MOTOR VEHICLES ON THE BEACHES OF SEABROOK ISLAND

WHEREAS, in an effort to protect the health, safety and welfare of residents, visitors, wildlife, marine life and the environment, Section 32-41 et seq of the Town Code for the Town of Seabrook Island (the “Town Code”) prohibits or restricts certain activities on the beaches and waterways of the Town of Seabrook Island; and

WHEREAS, Section 32-42 of the Town Code currently prohibits the driving or operating of motor vehicles, of any kind or nature, on the beaches of Seabrook Island, with certain exceptions; and

WHEREAS, the Mayor and Council of the Town of Seabrook Island desire to amend Section 32-42 so as to provide greater specificity relating to the types of vehicles which may be authorized on the beach; to create an exception for “Class 1 pedal-assist electric bicycles” which are duly permitted to operate within the Seabrook Island Development by the Seabrook Island Property Owners Association; to establish procedures for the review and approval of special vehicle use permits; and to update the general requirements regulating the use of approved vehicles on the beach; and

WHEREAS, the Mayor and Council advertised and held a public hearing on the proposed amendments during a duly called meeting on October 26, 2021; and

WHEREAS, the Mayor and Council have determined that it is fitting and proper to amend Section 32-42 of the Town Code to achieve the objectives described herein;

NOW, THEREFORE, pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ORDAINED BY THE MAYOR AND COUNCIL FOR THE TOWN OF SEABROOK ISLAND:

SECTION 1. Amending Section 32-42 of the Town Code. The Town Code for the Town of Seabrook Island, South Carolina; Chapter 32, Waterways and Beaches; Article II, Beachfront Management; Division 2, Restrictions; Section 32-42, Vehicle Use; is hereby amended to read as follows:

Sec. 32-42. – Vehicle Use.

(a) Motor vehicles of any type or kind shall not be driven or operated on the beaches of Seabrook Island, except for those expressly authorized below:

(1) Vehicles operated by an official or employee of any municipal, county, state or federal agency, department or unit;
(2) **Vehicles operated by an official or employee of any bona fide public safety agency**, including, but not limited to, law enforcement, code enforcement, fire suppression and emergency medical services;

(3) **Vehicles operated by an official or employee of any contractor, agency or entity providing goods or services on the beach under contract with or at the request of the town**;

(4) **Vehicles operated by an official or employee of the following community organizations which are necessary for the performance of maintenance services, the provision of security services and/or the transportation of personnel and equipment on behalf of the organization:**
   a. Seabrook Island Property Owners Association

   c. Seabrook Island Turtle Patrol;
   d. Seabrook Island Utility Commission;
   e. St. Christopher Camp and Conference Center;

(5) **Small open motorized vehicles and medical devices may be operated by, or for the benefit of, individuals who have a physical or mental disability which i) is recognized by state or federal law, and ii) which would otherwise preclude their use and enjoyment of the beach**;

(6) **Class 1 pedal-assist electric bicycles which are duly permitted by the Seabrook Island Property Owners Association for use within the Seabrook Island Development and which display a valid SIPOA decal while operating on the beach. For the purposes of this section, “class 1 pedal-assist electric bicycles” shall have the same meaning as “electric-assist bicycles” and “bicycles with helper motors,” as defined in Sec. 56-1-10 of the South Carolina Code of Laws; and**

(7) **Any other vehicles deemed essential by the town and duly operating under one of the following types of special vehicle use permits:**
   a. **Standard vehicle use permits.** Standard vehicle use permit requests shall be submitted to the town administrator in writing no less than thirty (30) days prior to the date upon which the applicant seeks to use a vehicle on the beach. Permit requests shall be forwarded by the town administrator to the town council for consideration at the next available town council meeting. If the town council determines that the use of a vehicle is essential to the applicant’s intended purpose, then it may approve the issuance of a permit by resolution. In approving a permit, the town council may attach such reasonable conditions as it deems necessary to protect public health and safety.
b. *Emergency permits.* Emergency vehicle use permit requests shall be made to the town administrator, either verbally or in writing, as soon as practicable. If the town administrator determines that the use of a vehicle is necessary to mitigate an immediate threat to public health and safety, he or she may authorize a permit, either verbally or in writing. In approving a permit, the town administrator may attach such reasonable conditions as he or she deems necessary to protect public health and safety.

(b) Except in cases of an emergency, vehicles which are authorized to be driven or operated on the beach pursuant to this section shall comply with the following requirements at all times:

1. Vehicles shall be operated in such a manner so as not to endanger or unreasonably disturb beachgoers, wildlife or marine life, and designated critical habitat areas, including shorebird and turtle nesting areas;

2. Vehicles shall not exceed a speed of ten (10) miles per hour when operated on the beach;

3. Vehicles shall be operated on the wet sand; vehicles may not be operated on dry sand except to gain access to the wet sand;

5. Vehicles shall enter the beach only from authorized access points; and

6. All vehicles being operated on the beach, excluding those specified in subsections (a)(5) and (a)(6), shall be equipped with four-wheel drive.

(a) The driving or operation of any motor vehicle, of any kind or nature, on the beach is prohibited, except as provided in subsections (1) through (6) of this section:

1. Emergency vehicles;

2. Town and other government vehicles;

3. Seabrook Island Property Owners Association (SIPOA) security or maintenance vehicles;

4. Small open motorized vehicles designed to transport handicapped individuals operated by or for the benefit of individuals who have physical handicaps (A) which are recognized by state or federal law, and (B) which would otherwise preclude their use and enjoyment of the beach;

5. Vehicles used by authorized members of the Seabrook Island Turtle Patrol;
(6) Seabrook Island Club maintenance vehicles;

(7) St. Christopher Camp and Conference Center vehicles used to transport watercraft and for maintenance purposes; and

(8) Other vehicles deemed essential by the town, operating pursuant to a duly granted permit from the town.

(b) Vehicles using the beach shall be operated in such a manner so as not to endanger beachgoers or wildlife. The maximum permissible speed limit on the beach shall be ten miles per hour. Vehicles shall be operated on the wet sand and not operated on dry sand or the upper beach other than to gain access to the wet sand. Vehicles shall not travel onto or otherwise disturb nesting, designated critical habitat areas, wildlife or marine life.

(c) All authorized vehicles traveling through primary frontal dune areas to the beach shall be restricted to the SIPOA vehicular beach access. St. Christopher Camp and Conference Center has consented to the use of its private vehicular beach access by authorized personnel in emergency situations. A second vehicular beach access for use by authorized personnel in emergency situations is located at the north end of the Pelican Watch Villa property.

ORDINANCE NO. 2021-12

ADOPTED __________

AN ORDINANCE ADOPTING A TEMPORARY MORATORIUM ON THE CONSIDERATION OF ZONING MAP AMENDMENTS (IE. “REZONINGS”), ANNEXATION REQUESTS AND CERTAIN SUBDIVISION APPROVALS FOR A PERIOD NOT TO EXCEED ONE HUNDRED AND EIGHTY (180) DAYS

WHEREAS, pursuant Sec. 6-1-110 of the South Carolina Code of Laws, a municipality may enact a moratorium by ordinance after two readings which are at least one week apart; and

WHEREAS, pursuant to relevant case law, a moratorium is generally viewed as a valid exercise of a local government’s police powers when: 1) the moratorium is imposed for a specific purpose; 2) the moratorium remains in effect for a limited duration; 3) the moratorium is non-discriminatory; and 4) during the term of the moratorium, the local government is actively engaged in researching and implementing amendments to its zoning and land development regulations which are relevant to the purpose of the moratorium; and

WHEREAS, the Town of Seabrook Island is currently in the process of finalizing and adopting a comprehensive update to its Development Standards Ordinance (hereafter, the “DSO”) and Official Zoning District Map (hereafter, the “Zoning Map”); and

WHEREAS, the Mayor and Council of the Town of Seabrook Island have determined that it is fitting and proper to temporarily suspend consideration of Zoning Map amendments (ie. “rezonings”), annexation requests and certain subdivision approvals until the new DSO and Zoning Map are adopted so as to minimize the number of non-conforming lots which may be created following adoption of the new DSO and Zoning Map; and

WHEREAS, this moratorium is not intended to further limit or restrict the ability of a property owner to use and/or develop his or her property under the town’s current zoning and land development regulations; provided, however, the property may not be rezoned, annexed or subdivided while the moratorium is in effect; and

WHEREAS, the Mayor and Council advertised and held a public hearing on the proposed ordinance during a duly called meeting on _____;

NOW, THEREFORE, pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ORDAINED BY THE MAYOR AND COUNCIL FOR THE TOWN OF SEABROOK ISLAND:

SECTION 1. Adopting a Temporary Moratorium.

(A) The Town of Seabrook Island hereby imposes a temporary moratorium on the consideration of all requests to amend the town’s Zoning Map.
(B) The Town of Seabrook Island hereby imposes a temporary moratorium on the consideration of all requests to annex unincorporated property into the municipal limits of the Town of Seabrook Island.

(C) The Town of Seabrook Island hereby imposes a temporary moratorium on the consideration of all requests to subdivide property within the town, including all sketch plans, conceptual plans, preliminary plats and final plats related to the subdivision of property; provided, however, this moratorium shall not apply to the following types of subdivision requests:

1. The subdivision of land into parcels of five (5) acres or more where no new streets are created, and no existing streets are modified;

2. The combination or recombination of portions of previously platted and recorded lots where the total number of lots is not increased and the resultant lots conform to the current requirements of the DSO;

3. The combination or recombination of entire lots of record where no new streets are created, and no existing streets are modified;

4. The subdivision of land for public acquisition, either by purchase or donation, and which is intended to be used for a public purpose; and

5. Any subdivision plat which is created and approved by judicial act.

SECTION 2. Effective Date and Duration of Moratorium Period.

(A) The provisions of this ordinance shall be effective immediately upon enactment and shall remain in effect until the earlier of the following:

1. One hundred and eighty (180) calendar days following adoption; or

2. Upon adoption by the Mayor and Council of the new DSO and Zoning Map.

(B) Any modification or extension of this ordinance shall be made by adoption of a subsequent ordinance by the Mayor and Council.

SECTION 3. Invocation of Pending Ordinance Doctrine.

The Mayor and Council for the Town of Seabrook Island hereby invoke the pending ordinance doctrine, as recognized under South Carolina case law and legal precedent. Effective immediately upon first reading approval of this ordinance, the Zoning Administrator shall not accept or process any new application or request which is subject to the moratorium provisions described herein, and no individual or body having review authority shall consider or approve such requests while the moratorium remains in effect.

During the moratorium, the Mayor and Council shall undertake the following actions:

(A) The Zoning Administrator shall work with the town’s planning consultant (PLB Planning Group) and its DSO Advisory Committee to finalize the draft versions of the new DSO and Zoning Map.

(B) The Planning Commission shall review the draft versions of the new DSO and Zoning Map, as recommended by staff and the DSO Advisory Committee, and shall provide recommendations to the Mayor and Council prior to adoption.

(C) The Mayor and Council shall undertake a comprehensive effort to inform residents and property owners about the new DSO and Zoning Map and shall accept public participation and feedback on the draft documents prior to adoption. The Mayor and Council shall also hold an official public hearing prior to second reading approval of both documents.

(D) The Mayor and Council shall consider, amend (if necessary) and adopt the new DSO and Zoning Map by ordinance.

SECTION 5. Conflicting Ordinances Suspended.

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby suspended to the extent of such inconsistency.

If any section, subsection, paragraph, clause, or provision of this ordinance shall be deemed to be unconstitutional, unenforceable, or otherwise invalid by the final decision of a court of competent jurisdiction, it shall be construed to have been the legislative intent of Town Council to pass said ordinance without such unconstitutional provision, and the validity of all remaining sections, subsections, paragraphs, clauses, or provisions of said ordinance shall not be affected thereby. If said ordinance, or any provision thereof, is held by the final decision of a court of competent jurisdiction to be inapplicable to any person, group of persons, property, kind of property, circumstances or set of circumstances, such holding shall not affect the applicability thereof to any other persons, property or circumstances.

NOW, THEREFORE, pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ORDAINED BY THE MAYOR AND COUNCIL FOR THE TOWN OF SEABROOK ISLAND:

SECTION 1. Amending Chapter 2, Article V, Division 2 of the Town Code. The Town Code for the Town of Seabrook Island, South Carolina; Chapter 2, Administration; Article V, Financial Administration; Division 2, Purchasing Requirements; is hereby amended to read as follows:

DIVISION 2. - PURCHASING REQUIREMENTS

Sec. 2-285. Authority and purpose.

(B) Purpose. The purpose of this division is to maximize the purchasing value of public funds, to provide safeguards for maintaining quality and integrity within the procurement system, and to provide for the fair and equitable treatment of all parties in the procurement process.
Sec. 2-286. Definitions.

(A) As used in this division, the following definitions shall apply:

1. “Invitation for bids” or “IFB” means a written or published solicitation issued by the procurement officer for bids to contract for the procurement or disposal of stated supplies, services, information technology, or construction, which will ordinarily result in the awarding of a contract or purchase order to the responsible bidder making the lowest responsive bid.

2. “Most advantageous” means an offer, proposal, or response which has been judged by the town to be most beneficial based on the evaluation criteria contained within the RFP. In addition to cost, the evaluation criteria may include other factors, including, but not limited to:
   - The vendor’s qualifications to provide the goods or services;
   - The vendor’s approach to providing the goods or services;
   - The vendor’s sufficiency of financial resources;
   - The vendor’s ability to deliver the goods or services in a timely manner;
   - The vendor’s quality of workmanship;
   - The vendor’s character, integrity, judgment, reputation, and experience;
   - The vendor’s history of satisfactory performance with similar projects; and
   - The vendor’s knowledge of, and ability to comply with, associated legal or regulatory requirements.

3. “Procurement” means the process and procedure for buying, purchasing, renting, leasing, or otherwise acquiring any supplies, services, information technology, or construction. It also includes all functions that pertain to the obtaining of any supply, service, information technology, or construction, including the description of requirements, selection, and solicitation of sources, preparation and award of contracts, and all phases of contract administration.

4. “Procurement officer” means the person who is authorized by the town to administer the procurement of all supplies, services, information technology and construction, as well as the management and disposal of surplus supplies and equipment, in accordance with the provisions of this division. The procurement officer shall act under the direction of the Mayor and shall organize and execute all procurement activities for the town as set forth in this division. For purposes of this division, the Town Administrator is designated as the procurement officer for the town.
(5) “Professional services” means unique, technical, and/or infrequent functions performed by an independent contractor qualified by education, experience, and/or technical ability to provide services. In most cases, these services are of a specific project nature, and are not a continuing, ongoing responsibility of the institution. The services rendered are predominately intellectual in character even though the contractor may not be required to be licensed. Professional service engagements may involve partnerships, corporations, or individuals. Examples of professional services may include, but are not limited to, accountants, architects, attorneys, auditors, biologists, engineers, environmental consultants, financial advisors/planners, land use planners, management consultants, marketing and advertising services, physicians, and real estate appraisers.

(6) "Request for proposals" or “RFP” means a written or published solicitation issued by the procurement officer for proposals to provide supplies, services, information technology, or construction which ordinarily results in the awarding of a contract to the responsible offeror whose proposal is deemed to be most advantageous to the town based on the evaluation criteria contained within the RFP.

(7) “Request for qualifications” or “RFQ” means a written or published solicitation issued by the procurement officer for the purpose of obtaining qualification and performance data from vendors, including, but not limited to, financial capability, reputation, experience, and competency, which will ordinarily result in the subsequent issuance of an IFB or RFP to a “short list” of vendors deemed qualified by the town.

(8) "Responsible bidder or offeror" means a vendor who is determined by the town to have the capability in all respects to perform fully the contract requirements and the integrity and reliability which will assure good faith performance which may be substantiated by past performance.

(9) “Responsive bidder or offeror” means a vendor who has submitted a bid or proposal which conforms in all material aspects to the invitation for bids, request for proposals or request for qualifications.

(10)“Successful bidder” means the vendor whose bid or proposal has been selected as the “lowest responsible” or “most advantageous,” depending on the procurement method used.

(11)“Surplus property” means any materials, supplies, equipment or other goods which, in the opinion of the procurement officer, have no further beneficial usefulness to the town or cannot economically be made useful to the town.

(12)“Vendor” means a person, company or firm who sells goods or services.

Sec. 2-287. Compliance with other laws and regulations.
(A) **State and federal law supersedes.** Nothing in this division shall prevent any town official or employee from complying with the terms and conditions of state or federal laws and/or regulations which may be applicable, including those which may be less restrictive than the policies and procedures contained herein.

(B) **Other requirements.** Procurement which involves the expenditure of federal assistance, contract funds, or any grants, gifts, or bequests, shall comply with such federal and state laws and authorized regulations as are mandatorily applicable regardless of whether they are presently reflected in this division.

**Sec. 2-288. Ethical procurements.**

(A) **Applicability of State Ethics Act.** The requirements of Title 8, Chapter 13 (Ethics, Government Accountability and Campaign Reform Act), of the S.C. Code of Laws, 1976, as amended, shall be complied with and observed in all actions involving the procurement of goods and services. Any willful violation of this section shall constitute malfeasance in office, and any officer or employee of the town found guilty thereof shall thereby forfeit his or her office or position.

(B) **Good faith.** Every contract or duty imposes an obligation of good faith in its negotiation, performance or enforcement. As used in this division, the term "good faith" means honesty in fact in the conduct or transaction concerned and the observance of reasonable commercial standards of fair dealing.

(C) **Voidability of contracts.** Any violation of this section with the knowledge, whether expressed or implied, of the vendor contracting with the town shall render the contract voidable by the Town Administrator or the Town Council.

**Sec. 2-289. Procurement limitations and authorization.**

(A) **Procurement policy.** It is the town’s policy to develop competition to ensure maximum purchasing value for all procurement activities. The procurement officer shall have the discretion to use a more stringent purchasing procedure if he or she determines that doing so would better serve the town’s interest. When deemed appropriate, the procurement officer may utilize the services of advisory committees and/or outside consultants to assist with the preparation of IFB’s, RFP’s and RFQ’s; the review and evaluation of bids, proposals, and qualifications; and the review, negotiation, and awarding of contracts and purchase orders. No contract or purchase order may be subdivided to avoid the requirements of this section.

(B) **Purchasing procedures.** The procurement of goods and services shall be executed as follows:

1. **Under $5,000.00: Open Market.**
   
   (a) Competitive bidding is not required.

(2) **$5,000.00 to $24,999.99: Written Quotes.**

(a) Competitive bidding shall be required. The procurement officer shall solicit written quotes from at least three vendors.

(b) If the purchase was specifically budgeted in the current fiscal year budget and the lowest responsible bid is less than or equal to the amount budgeted, the procurement officer shall have the authority to award a contract or purchase order to the successful bidder.

(c) If the purchase was not specifically budgeted in the current fiscal year budget or the lowest responsible bid exceeds the amount budgeted, the procurement officer shall obtain prior approval from the Mayor, subject to the limitations contained in Sec. 2-260(b), before awarding a contract or purchase order to the successful bidder.

(3) **$25,000.00 to $49,999.99: Informal Solicitations for Bids or Proposals.**

(a) Competitive bidding shall be required. The procurement officer shall issue a written IFB or RFP, depending on the procurement method used. The procurement officer shall solicit written bids or proposals from at least three vendors.

(b) The procurement officer shall review and evaluate all bids or proposals in a timely manner and shall recommend a successful bidder to the Mayor.

(c) Subject to the limitations contained in Sec. 2-260(b), the Mayor shall have the authority to award a contract or purchase order to the successful bidder.

(4) **$50,000.00 or Greater: Formal Solicitations for Bids or Proposals.**

(a) Sealed, competitive bidding shall be required.

1. *Invitation.* The procurement officer shall issue a written IFB or RFP, depending on the procurement method used. The procurement officer may, at his or her discretion, issue a written RFQ for the purpose of identifying a “short list” of pre-qualified vendors prior to the issuance of an IFB or RFP. Bid packages shall be advertised in a newspaper of general circulation within the town, on the South Carolina Business Opportunities (SCBO) website, and on the town’s website, at least ten (10) days prior to the due date, except in cases with extraneous time requirements.
constraints. Additional methods of notification may be used at the discretion of the procurement officer.

2. **Bid package.** At a minimum, the bid package shall contain the following:

   i. **Instructions for completing and submitting a sealed bid or proposal, including the deadline for the receipt of all bids;**

   ii. **A detailed description of the goods or services to be purchased;**

   iii. **An explanation of the criteria to be used in the evaluation of bids and proposals;**

   iv. **Whether a bid security is required and the amount of same;**

   v. **The date, time and location of the bid opening; and**

   vi. **Any other items or information deemed appropriate by the procurement officer.**

3. **Bid security.** When deemed necessary by the procurement officer, a bid security, not to exceed five percent (5%) of the total bid amount, shall be required. A successful bidder shall forfeit his or her bid security upon failure to enter into a contract with the town within ten (10) days after the issuance of a notice of award; provided, however, the town, in its sole discretion, may waive or reduce this forfeiture.

4. **Submission and sealing.** Bids shall be received by the procurement officer at the designated location no later than the date and time specified in the invitation. Late bids shall not be accepted. Bids shall be securely sealed in an envelope and shall be identified on the envelope in accordance with instructions contained in the bid package.

5. **Opening.** Bids shall be opened and read publicly at the date, time, and location specified in the bid package.

6. **Tabulation.** A tabulation of all bids received shall be available for public inspection.

9. **Review and recommendation of bids.** The procurement officer shall review and evaluate all bids or proposals in a timely manner and shall recommend a successful bidder to the Mayor. The Mayor shall review the procurement officer’s recommendation and submit a final recommendation of the successful bidder to the Town Council.

10. **Award.** The Town Council shall have the authority to award a contract or purchase order to the successful bidder.

(d) **Performance bonds.** The procurement officer shall have the authority to require a performance bond, before entering into a contract, in such form and amount as the procurement officer shall find reasonably necessary to protect the best interests of the town.

(e) **Exception for construction contracting administration.** Notwithstanding the preceding, procurements involving construction may use a construction contracting administration method which is most advantageous to the town and will result in the most timely, acceptable quality, economical, and successful completion of the construction project. Any request to use an alternate form of construction contracting administration for a particular construction project must receive prior approval by the Town Council.

(C) **Exceptions.** Exceptions to bidding include the sole source, professional services, emergency procurements, purchasing cooperatives, and critical procurements as defined below.

(1) **Sole source.** Sole source procurement is acceptable when, after a good faith review of all possible sources, it is determined by the procurement officer that there is only one viable source from which to obtain the goods or services. Sole source procurements shall be executed as follows:

(a) For goods and services with an estimated value of less than $50,000.00, the procurement officer shall submit a written request to the Mayor outlining the justification for sole source procurement. Subject to the limitations contained in Sec. 2-260(b), the Mayor shall have the authority to approve the sole source procurement if he or she deems the request to be justified.

(b) For goods and services with an estimated value of $50,000.00 or greater, the procurement officer shall submit a written request to the Mayor
(2) **Professional services.** Contracts for the procurement of professional services are exempt from the provisions of this ordinance. Such contracts may be negotiated on a fee basis rather than competitive bidding. Subject to the limitations contained in Sec. 2-260(b), the Mayor shall have the authority to approve professional service contracts with a value of less than $50,000.00. All other professional service contracts shall be approved by the Town Council.

(3) **Emergency procurements.** Notwithstanding the requirements of this division, the Mayor may make, or authorize others to make, emergency procurements where there exists a threat to public health, welfare, or safety under emergency conditions; where normal daily operations are affected or in jeopardy; or when a critical situation exists where time does not permit for ordinary solicitation or re-solicitation.

(4) **Purchasing cooperatives.** In the event the town is eligible to purchase goods or services through a “term” contract or purchasing cooperative offered by the State of South Carolina or any of its agencies, Charleston County or other South Carolina Counties, the Municipal Association of South Carolina or other South Carolina municipalities, the U.S. General Services Administration, or other similar public entities, the procurement officer may purchase such goods and services under the “term” contract or purchasing cooperative without seeking competitive bids or proposals; provided, however, if the purchase was not specifically budgeted in the current fiscal year budget or the purchase price exceeds the amount budgeted, the procurement officer shall obtain prior approval from the Mayor, subject to the limitations contained in Sec. 2-260(b), before purchasing the goods or services.

(5) **Purchase and sale of real property.**

(a) When the town desires to purchase real property for public use, the following procedures shall be followed:

1. The property shall be appraised by a licensed South Carolina certified general real estate appraiser.

2. The Mayor, or an individual designated by the Mayor, may commence contractual negotiations to purchase the property.

3. Contractual negotiations may be discussed with Town Council in executive session, as provided for by the S.C. Freedom of Information Act.
4. **Town Council** shall make the final determination as to whether to contract for purchase of the property.

(b) When the town desires to sell surplus real property, the following procedures shall be followed:

1. The property shall be appraised by a licensed South Carolina certified general real estate appraiser.

2. Contiguous property owners shall be informed of the town’s intent to sell the property and shall be afforded the opportunity to negotiate a contract to purchase the property.

3. If more than one of the contiguous property owners desires to purchase the property, the Mayor, or an individual designated by the Mayor, may commence contractual negotiations for the sale of the property to the contiguous property owner making the highest offer above the appraised value.

4. If none of the contiguous property owners desire to purchase the property or a contract with a contiguous property owner is not successfully negotiated, the procurement officer shall solicit offers to purchase the property by issuing an IFB.

5. The Mayor, or an individual designated by the Mayor, may commence contractual negotiations with the highest bidder.

6. Contractual negotiations may be discussed with Town Council in executive session, as provided for by the S.C. Freedom of Information Act.

7. **Town Council** shall make the final determination as to whether to contract for the sale of the real property.

(c) The procedures for the purchase of real property shall not apply to the acquisition of real property to be used by the town for pump stations, lift stations, pressure reducing valve sites, public streets, water lines, sanitary sewer lines, storm drainage lines, monitoring sites, mitigation sites, stormwater projects and utility easements.

### Sec. 2-290. Protest procedures and remedies.

(A) Any prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation of a contract may protest to the procurement officer. No other person or entity shall have right of action resulting from any alleged violation of this ordinance and there is no implied right to protest or right of action for any other person or entity. Any such protest must be delivered in writing within five (5) business days of the issuance of
the IFB or RFP, or within five (5) business days of the issuance of any amendment thereto if the amendment is at issue.

(B) Any actual bidder, offeror, contractor, or subcontractor who is aggrieved in connection with the intended award or award of a contract may protest to the procurement officer. Any such protest must be delivered in writing within five (5) days of the date the notice of award or intent to award is issued by the procurement officer.

(C) A protest must set forth all specific grounds of protest in detail and explain the factual and legal basis for each issue raised.

(D) The procurement officer may conduct any inquiries or conduct any hearings he or she deems necessary to reach his or her decision.

(E) Within ten (10) days of receipt of the written protest, the procurement officer shall issue his or her decision in writing and send copies to all parties to the protest.

(F) If the procurement officer finds in favor of the protestant, he or she may award the protestant its documented bid preparation costs and other damages, not to exceed a total of $5,000.00.

(G) Contracts shall not be stayed pending the decision of the procurement officer. The protestant's remedies set forth herein shall be the protestant's exclusive remedy, including any remedy for violation of this ordinance.

(H) A protestant may appeal the decision of the procurement officer to the Mayor by requesting a review, in writing, with the Mayor within five (5) business days of the procurement officer’s decision. No new issues will be considered by the Mayor on appeal. The Mayor may appoint a special committee to consider any such appeals. The decision of the Mayor, or any special committee appointed by the Mayor, shall be final.

Sec. 2-291. Open records.

The procurement officer shall keep a record of all open solicitations and bids submitted in competition thereon, and such records shall be open to public inspection in accordance with the S.C. Freedom of Information Act.

Sec. 2-292. Disposal of surplus property.

may also be donated to local not-for-profit organizations which provide charitable services within community.

(2) Items with an estimated value of $500.00 or more shall be sold using one or more of the following competitive methods: in-house auction, outside auction, formal or informal bidding process, online auction services, broker services, or similar competitive methods recommended by the procurement officer and approved by the Mayor.

Sec. 2-285.---Items less than $3,000.00.

All purchases and contracts of less than $3,000.00 may be made in the open market, without advertisement and without the necessity of complying with the provisions of this article.

Sec. 2-286.---Items between $3,000.00 and $10,000.00.

All purchases and contracts of less than $10,000.00 but more than $3,000.00 may be made in the open market, without newspaper advertisement and without observing the formal competitive bidding procedures set forth in subsections (1) through (3) of this section, but shall be undertaken in accordance with the following procedures:

(1) All open market purchases shall, wherever reasonably possible, be based on at least three price quotations.

(2) The mayor or designee shall solicit quotations by direct mail or by telephone to be confirmed in writing by the person offering the price quotation. The final purchasing decision shall be the mayor's responsibility.

(3) The mayor or designee shall keep a record of all orders and the quotations submitted, and such records shall be open to public inspection during normal business hours.

Sec. 2-287.---Items greater than $10,000.00.

All purchases and/or contracts exceeding $10,000.00 shall be made in accordance with the competitive bidding procedures set forth in subsections (1) through (5) of this section:

(1) Invitation to bid. The mayor or designee shall solicit bids by mail, telephone, newspaper, or by any other reasonable means designed to secure responsible bidders. Invitations to bid shall be advertised or noticed at least ten days prior to the date on which bids are due unless, due to extraneous time constraints, such cannot be complied with.

(2) Bid deposits.

a. All bidders must provide a bid security. Bid deposits shall be prescribed in the public notice inviting bids. The amount of such deposit shall be five percent of
the bid and shall be in the form of a certified check, bond or cash. Bid deposits may be waived provided notice of such is given when bids are solicited.

b. Unsuccessful bidders shall be entitled to the return of their surety within 30 calendar days after the awarding of the contract or the rejection of all bids.

c. Upon the failure of a successful bidder to enter into a contract within seven calendar days after the town tenders the proposed contract, the bidder shall forfeit the bid deposit.

(3) Submission and opening of bids.

a. All bids shall be submitted to the Office of the Town of Seabrook Island during normal business hours in a sealed condition with identification contained on the envelope containing the bid.

c. Bids shall be opened in public at the time and place stated in the public notice.

d. A tabulation of all bids received shall be made available for public inspection.

(4) Analysis and recommendation of bidder. Contracts shall be awarded to the lowest responsive, responsible bidder. In determining the lowest responsive, responsible bidder, in addition to price, consideration may be given to:

a. The ability, capacity and skill of the bidder to provide the services required;

b. The capability of the bidder to perform the contract or provide the services promptly, or within the time specified without delay or interference;

c. The character, integrity, reputation, judgment, experience and efficiency of the bidder;

h. The quality of samples requested by the town.

(5) Award of contract. The mayor shall recommend the successful bidder to the town council for approval as soon as possible and shall advise the successful bidder of the council's decision within one week of the council's action.

Sec. 2-288. Professional service contracts.

(a) Authority. For the purpose of procuring any professional services, where the person or firm employed is customarily employed on a fee basis rather than by competitive bidding, the town may act as a purchasing agent and contract on its own behalf for such services without the necessity of complying with the provisions of this article. (b) Mayoral recommendation; council approval. The mayor shall recommend the person or firm to the town council for approval as soon as possible. If approved by the town council, such contract may thereafter be entered into.

Sec. 2-289. Sole-source procurement.

A contract may be awarded for a supply, service or construction item without competition when the mayor or designee determines in writing that there is only one source for the required supply, service or construction item. After such written determination has been made, all sole-source contracts not exceeding $3,000.00 may be entered into without the necessity of complying with the provisions of this article. For all sole-source contracts exceeding $3,000.00, the mayor shall recommend such contracts to the town council for approval as soon as possible. If approved by the town council, such contract may thereafter be entered into.

Sec. 2-290. Emergency procurements.

Notwithstanding any provision to the contrary, the mayor or designee may make or authorize others to make emergency procurements when there exists an immediate threat to the public health, welfare, critical economy and efficiency or safety; provided that such emergency procurement shall be made with as much competition as is practicable under the circumstances. A written determination of the basis for the emergency and the selection of a particular contractor shall be included in the contract file.

Sec. 2-291. Cancellation or rejection of invitation for bids, requests for proposals, etc.

Invitations for bids, requests for proposals or other solicitations may be cancelled or any and all bids or proposals may be rejected in whole or in part when it is in the town's best interests. The mayor or designee may amend any of the requirements set forth in an invitation to bid, notice of bid or solicitation when necessary and in the town's best interest. Reasonable notice of such amendment shall be given. The town may reject any and all bids for any purpose whatsoever.

Sec. 2-292. Disposal of town property valued under $500.00.

Town property with an estimated value of less than $500.00 may be sold without formal advertisement of competitive procedures.
SECTION 2. Severability.

If any section, subsection, paragraph, clause, or provision of this ordinance shall be deemed to be unconstitutional, unenforceable, or otherwise invalid by the final decision of a court of competent jurisdiction, it shall be construed to have been the legislative intent of Town Council to pass said ordinance without such unconstitutional provision, and the validity of all remaining sections, subsections, paragraphs, clauses, or provisions of said ordinance shall not be affected thereby. If said ordinance, or any provision thereof, is held by the final decision of a court of competent jurisdiction to be inapplicable to any person, group of persons, property, kind of property, circumstances or set of circumstances, such holding shall not affect the applicability thereof to any other persons, property or circumstances.

• **Sec. 2-184. - Competitive sealed bidding.**

(a) *Conditions for use.* Contracts shall be awarded by competitive sealed bidding except as otherwise provided in section 2-182 (Methods of source selection).

(b) *Invitation for bid.* An invitation for bid shall be issued and shall include a purchase description, and all contractual terms and conditions applicable to the procurement.

(c) *Public notice.* Public notice of the invitation for bid shall be given not less than seven days prior to the date set forth therein for the opening of bids. Such notice may include publication in a newspaper of general circulation.

(d) *Bid opening.* Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bid. The amount of each bid and other such relevant information as may be specified by regulation, together with the name of each bidder, shall be recorded. The record and each bid shall be open for public inspection after award. Late bids shall not be opened and considered for award, but the name of the late bidder(s) and the time of the attempted delivery shall be recorded in the bid file wherever possible.

(e) *Bid acceptance and evaluation.* Bids shall be unconditionally accepted without alteration or correction, except as authorized in this article. Bids shall be evaluated based on the requirements set forth in the invitation for bid, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable such as discounts, transportation costs, and total or life cycle costs. The invitation for bid shall set forth the evaluation criteria to be used. No criteria may be used in bid evaluations that are not set forth in the invitation for bid.

(f) *Correction or withdrawal of bids, cancellation of awards.* Corrections or withdrawal of inadvertently erroneous bids, before or after award or cancellation of awards or contracts based on such bid mistakes, may be permitted in accordance with regulations. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the county or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the contracts and procurement director.

(g) *Award.* Except as hereinafter prescribed, all contracts shall be awarded with reasonable promptness by written notice to the lowest responsive bidder whose bid meets the requirements and criteria set forth in the invitation for bid.

1. Bids exceeding $100,000.00 on all single items of capital goods or construction projects (to be performed by outside contractors), shall be subject to review and approval by county council. These items shall be placed on the Finance Committee Consent Agenda.

2. In other than construction projects, if all bids exceed available funds and no additional monies can be appropriated, then the bids will be rejected.
In the event all bids for a construction project exceed available funds, and the lowest responsive and responsible bid does not exceed such funds by more than five percent, the contracts and procurement director is authorized in situations where time or economic considerations preclude re-solicitation of work of a reduced scope, to negotiate an adjustment in the bid price including changes in the bid requirements with the lowest responsive and responsible bidder in order to bring the bid within the amount of available funds.

(h) Tie bids. The contracts and procurement director is authorized in the case of tie bids to make awards on any reasonable basis subject to governing rules and regulations intended to prevent identical bidding, and in instances where that does not provide a solution, to reject all bids and either issue a new solicitation or if time and economic considerations do not allow, negotiate a more favorable purchase.

(i) Disclosure of bid information prior to bid opening for goods and services, excluding construction:
(1) All estimates of costs prepared, by or for the county, shall remain confidential prior to execution of a contract.
(2) The names of those persons who receive bid packages will not be revealed.
(3) The number of bidders will not be revealed.

(j) Disclosure of bid information for construction projects prior to award:

TOWN OF SEABROOK ISLAND

ORDINANCE NO. 2021-11

ADOPTED ________

AN ORDINANCE AMENDING THE TOWN CODE FOR THE TOWN OF SEABROOK ISLAND, SOUTH CAROLINA; CHAPTER 32, WATERWAYS AND BEACHES; ARTICLE II, BEACHFRONT MANAGEMENT; DIVISION 2, RESTRICTIONS; SECTION 32-42, VEHICLE USE; SO AS TO AMEND THE REQUIREMENTS RELATING TO THE OPERATION OF MOTOR VEHICLES ON THE BEACHES OF SEABROOK ISLAND

WHEREAS, in an effort to protect the health, safety and welfare of residents, visitors, wildlife, marine life and the environment, Section 32-41 et seq of the Town Code for the Town of Seabrook Island (the “Town Code”) prohibits or restricts certain activities on the beaches and waterways of the Town of Seabrook Island; and

WHEREAS, Section 32-42 of the Town Code currently prohibits the driving or operating of motor vehicles, of any kind or nature, on the beaches of Seabrook Island, with certain exceptions; and

WHEREAS, the Mayor and Council of the Town of Seabrook Island desire to amend Section 32-42 so as to provide greater specificity relating to the types of vehicles which may be authorized on the beach; to create an exception for “Class 1 pedal-assist electric bicycles” which are duly permitted to operate within the Seabrook Island Development by the Seabrook Island Property Owners Association; to establish procedures for the review and approval of special vehicle use permits; and to update the general requirements regulating the use of approved vehicles on the beach; and

WHEREAS, the Mayor and Council advertised and held a public hearing on the proposed amendments during a duly called meeting on October 26, 2021; and

WHEREAS, the Mayor and Council have determined that it is fitting and proper to amend Section 32-42 of the Town Code to achieve the objectives described herein;

NOW, THEREFORE, pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ORDAINED BY THE MAYOR AND COUNCIL FOR THE TOWN OF SEABROOK ISLAND:

SECTION 1. Amending Section 32-42 of the Town Code. The Town Code for the Town of Seabrook Island, South Carolina; Chapter 32, Waterways and Beaches; Article II, Beachfront Management; Division 2, Restrictions; Section 32-42, Vehicle Use; is hereby amended to read as follows:

Sec. 32-42. – Vehicle Use.

(a) Motor vehicles of any type or kind shall not be driven or operated on the beaches of Seabrook Island, except for those expressly authorized below:

(1) Vehicles operated by an official or employee of any municipal, county, state or federal agency, department or unit;
(2) Vehicles operated by an official or employee of any bona fide public safety agency, including, but not limited to, law enforcement, code enforcement, fire suppression and emergency medical services;

(3) Vehicles operated by an official or employee of any contractor, agency or entity providing goods or services on the beach under contract with or at the request of the town;

(4) Vehicles operated by an official or employee of the following community organizations which are necessary for the performance of maintenance services, the provision of security services and/or the transportation of personnel and equipment on behalf of the organization:
   a. Seabrook Island Property Owners Association
   b. Seabrook Island Club;
   c. Seabrook Island Turtle Patrol;
   d. Seabrook Island Utility Commission;
   e. St. Christopher Camp and Conference Center;

(5) Small open motorized vehicles and medical devices may be operated by, or for the benefit of, individuals who have a physical or mental disability which i) is recognized by state or federal law, and ii) which would otherwise preclude their use and enjoyment of the beach;

(6) Class 1 pedal-assist electric bicycles which are duly permitted by the Seabrook Island Property Owners Association for use within the Seabrook Island Development and which display a valid SIPOA decal while operating on the beach. For the purposes of this section, “class 1 pedal-assist electric bicycles” shall have the same meaning as “electric-assist bicycles” and “bicycles with helper motors,” as defined in Sec. 56-1-10 of the South Carolina Code of Laws; and

(7) Any other vehicles deemed essential by the town and duly operating under one of the following types of special vehicle use permits:

   a. Standard vehicle use permits. Standard vehicle use permit requests shall be submitted to the town administrator in writing no less than thirty (30) days prior to the date upon which the applicant seeks to use a vehicle on the beach. Permit requests shall be forwarded by the town administrator to the town council for consideration at the next available town council meeting. If the town council determines that the use of a vehicle is essential to the applicant’s intended purpose, then it may approve the issuance of a permit by resolution. In approving a permit, the town council may attach such reasonable conditions as it deems necessary to protect public health and safety.
b. *Emergency permits.* Emergency vehicle use permit requests shall be made to the town administrator, either verbally or in writing, as soon as practicable. If the town administrator determines that the use of a vehicle is necessary to mitigate an immediate threat to public health and safety, he or she may authorize a permit, either verbally or in writing. In approving a permit, the town administrator may attach such reasonable conditions as he or she deems necessary to protect public health and safety.

(b) Except in cases of an emergency, vehicles which are authorized to be driven or operated on the beach pursuant to this section shall comply with the following requirements at all times:

1. Vehicles shall be operated in such a manner so as not to endanger or unreasonably disturb beachgoers, wildlife or marine life, and designated critical habitat areas, including shorebird and turtle nesting areas;

2. Vehicles shall not exceed a speed of ten (10) miles per hour when operated on the beach;

3. Vehicles shall be operated on the wet sand; vehicles may not be operated on dry sand except to gain access to the wet sand;

4. Vehicles shall not be driven onto or within any dune or vegetated area;

5. Vehicles shall enter the beach only from authorized access points; and

6. All vehicles being operated on the beach, excluding those specified in subsections (a)(5) and (a)(6), shall be equipped with four-wheel drive.

(a) The driving or operation of any motor vehicle, of any kind or nature, on the beach is prohibited, except as provided in subsections (1) through (6) of this section:

1. Emergency vehicles;

2. Town and other government vehicles;

3. Seabrook Island Property Owners Association (SIPOA) security or maintenance vehicles;

4. Small open motorized vehicles designed to transport handicapped individuals operated by or for the benefit of individuals who have physical handicaps (A) which are recognized by state or federal law, and (B) which would otherwise preclude their use and enjoyment of the beach;

5. Vehicles used by authorized members of the Seabrook Island Turtle Patrol;
(6) Seabrook Island Club maintenance vehicles;

(7) St. Christopher Camp and Conference Center vehicles used to transport watercraft and for maintenance purposes; and

(8) Other vehicles deemed essential by the town, operating pursuant to a duly granted permit from the town.

(b) Vehicles using the beach shall be operated in such a manner so as not to endanger beachgoers or wildlife. The maximum permissible speed limit on the beach shall be ten miles per hour. Vehicles shall be operated on the wet sand and not operated on dry sand or the upper beach other than to gain access to the wet sand. Vehicles shall not travel onto or otherwise disturb nesting, designated critical habitat areas, wildlife or marine life.

(c) All authorized vehicles traveling through primary frontal dune areas to the beach shall be restricted to the SIPOA vehicular beach access. St. Christopher Camp and Conference Center has consented to the use of its private vehicular beach access by authorized personnel in emergency situations. A second vehicular beach access for use by authorized personnel in emergency situations is located at the north end of the Pelican Watch Villa property.

SECTION 2. Severability.

If any section, subsection, paragraph, clause, or provision of this ordinance shall be deemed to be unconstitutional, unenforceable, or otherwise invalid by the final decision of a court of competent jurisdiction, it shall be construed to have been the legislative intent of Town Council to pass said ordinance without such unconstitutional provision, and the validity of all remaining sections, subsections, paragraphs, clauses, or provisions of said ordinance shall not be affected thereby. If said ordinance, or any provision thereof, is held by the final decision of a court of competent jurisdiction to be inapplicable to any person, group of persons, property, kind of property, circumstances or set of circumstances, such holding shall not affect the applicability thereof to any other persons, property or circumstances.

SECTION 3. Conflicting Ordinances Repealed.

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 4. Effective Date.

This ordinance shall be effective from and after the date of adoption.

WHEREAS, pursuant Sec. 6-1-110 of the South Carolina Code of Laws, a municipality may enact a moratorium by ordinance after two readings which are at least one week apart; and

WHEREAS, pursuant to relevant case law, a moratorium is generally viewed as a valid exercise of a local government’s police powers when: 1) the moratorium is imposed for a specific purpose; 2) the moratorium remains in effect for a limited duration; 3) the moratorium is non-discriminatory; and 4) during the term of the moratorium, the local government is actively engaged in researching and implementing amendments to its zoning and land development regulations which are relevant to the purpose of the moratorium; and

WHEREAS, the Town of Seabrook Island is currently in the process of finalizing and adopting a comprehensive update to its Development Standards Ordinance (hereafter, the “DSO”) and Official Zoning District Map (hereafter, the “Zoning Map”); and

WHEREAS, the Mayor and Council of the Town of Seabrook Island have determined that it is fitting and proper to temporarily suspend consideration of Zoning Map amendments (ie. “rezonings”), annexation requests and certain subdivision approvals until the new DSO and Zoning Map are adopted so as to minimize the number of non-conforming lots which may be created following adoption of the new DSO and Zoning Map; and

WHEREAS, this moratorium is not intended to further limit or restrict the ability of a property owner to use and/or develop his or her property under the town’s current zoning and land development regulations; provided, however, the property may not be rezoned, annexed or subdivided while the moratorium is in effect; and

WHEREAS, the Mayor and Council advertised and held a public hearing on the proposed ordinance during a duly called meeting on ______;

NOW, THEREFORE, pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ORDAINED BY THE MAYOR AND COUNCIL FOR THE TOWN OF SEABROOK ISLAND:

1. The subdivision of land into parcels of five (5) acres or more where no new streets are created, and no existing streets are modified;

Effective immediately upon first reading approval of this ordinance, the Zoning Administrator shall not accept or process any new application or request which is subject to the moratorium provisions described herein, and no individual or body having review authority shall consider or approve such requests while the moratorium remains in effect.

If any section, subsection, paragraph, clause, or provision of this ordinance shall be deemed to be unconstitutional, unenforceable, or otherwise invalid by the final decision of a court of competent jurisdiction, it shall be construed to have been the legislative intent of Town Council to pass said ordinance without such unconstitutional provision, and the validity of all remaining sections, subsections, paragraphs, clauses, or provisions of said ordinance shall not be affected thereby. If said ordinance, or any provision thereof, is held by the final decision of a court of competent jurisdiction to be inapplicable to any person, group of persons, property, kind of property, circumstances or set of circumstances, such holding shall not affect the applicability thereof to any other persons, property or circumstances.

WHEREAS, the Mayor and Council advertised and held a public hearing on the proposed amendments during a duly called meeting on _____; and

WHEREAS, the Mayor and Council believe it is fitting and proper to amend the Town Code to achieve the objectives referenced herein;

NOW, THEREFORE, pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ORDAINED BY THE MAYOR AND COUNCIL FOR THE TOWN OF SEABROOK ISLAND:

SECTION 1. Amending Chapter 2, Article V, Division 2 of the Town Code. The Town Code for the Town of Seabrook Island, South Carolina; Chapter 2, Administration; Article V, Financial Administration; Division 2, Purchasing Requirements; is hereby amended to read as follows:

DIVISION 2. - PURCHASING REQUIREMENTS

Sec. 2-285. Authority and purpose.

(B) Purpose. The purpose of this division is to maximize the purchasing value of public funds, to provide safeguards for maintaining quality and integrity within the procurement system, and to provide for the fair and equitable treatment of all parties in the procurement process.
Sec. 2-286. Definitions.

(A) As used in this division, the following definitions shall apply:

(1) “Invitation for bids” or “IFB” means a written or published solicitation issued by the procurement officer for bids to contract for the procurement or disposal of stated supplies, services, information technology, or construction, which will ordinarily result in the awarding of a contract or purchase order to the responsible bidder making the lowest responsive bid.

(2) “Most advantageous” means an offer, proposal, or response which has been judged by the town to be most beneficial based on the evaluation criteria contained within the RFP. In addition to cost, the evaluation criteria may include other factors, including, but not limited to:

(a) The vendor’s qualifications to provide the goods or services;
(b) The vendor’s approach to providing the goods or services;
(c) The vendor’s sufficiency of financial resources;
(d) The vendor’s ability to deliver the goods or services in a timely manner;
(e) The vendor’s quality of workmanship;
(f) The vendor’s character, integrity, judgment, reputation, and experience;
(g) The vendor’s history of satisfactory performance with similar projects; and
(h) The vendor’s knowledge of, and ability to comply with, associated legal or regulatory requirements.

(3) “Procurement” means the process and procedure for buying, purchasing, renting, leasing, or otherwise acquiring any supplies, services, information technology, or construction. It also includes all functions that pertain to the obtaining of any supply, service, information technology, or construction, including the description of requirements, selection, and solicitation of sources, preparation and award of contracts, and all phases of contract administration.

(4) “Procurement officer” means the person who is authorized by the town to administer the procurement of all supplies, services, information technology and construction, as well as the management and disposal of surplus supplies and equipment, in accordance with the provisions of this division. The procurement officer shall act under the direction of the Mayor and shall organize and execute all procurement activities for the town as set forth in this division. For purposes of this division, the Town Administrator is designated as the procurement officer for the town.
“Professional services” means unique, technical, and/or infrequent functions performed by an independent contractor qualified by education, experience, and/or technical ability to provide services. In most cases, these services are of a specific project nature, and are not a continuing, ongoing responsibility of the institution. The services rendered are predominately intellectual in character even though the contractor may not be required to be licensed. Professional service engagements may involve partnerships, corporations, or individuals. Examples of professional services may include, but are not limited to, accountants, architects, attorneys, auditors, biologists, engineers, environmental consultants, financial advisors/planners, land use planners, management consultants, marketing and advertising services, physicians, and real estate appraisers.

"Request for proposals" or “RFP” means a written or published solicitation issued by the procurement officer for proposals to provide supplies, services, information technology, or construction which ordinarily results in the awarding of a contract to the responsible offeror whose proposal is deemed to be most advantageous to the town based on the evaluation criteria contained within the RFP.

“Request for qualifications” or “RFQ” means a written or published solicitation issued by the procurement officer for the purpose of obtaining qualification and performance data from vendors, including, but not limited to, financial capability, reputation, experience, and competency, which will ordinarily result in the subsequent issuance of an IFB or RFP to a “short list” of vendors deemed qualified by the town.

“Responsible bidder or offeror” means a vendor who is determined by the town to have the capability in all respects to perform fully the contract requirements and the integrity and reliability which will assure good faith performance which may be substantiated by past performance.

“Responsive bidder or offeror” means a vendor who has submitted a bid or proposal which conforms in all material aspects to the invitation for bids, request for proposals or request for qualifications.

“Successful bidder” means the vendor whose bid or proposal has been selected as the “lowest responsible” or “most advantageous,” depending on the procurement method used.

“Surplus property” means any materials, supplies, equipment or other goods which, in the opinion of the procurement officer, have no further beneficial usefulness to the town or cannot economically be made useful to the town.

“Vendor” means a person, company or firm who sells goods or services.

Sec. 2-287. Compliance with other laws and regulations.
(A) State and federal law supersedes. Nothing in this division shall prevent any town official or employee from complying with the terms and conditions of state or federal laws and/or regulations which may be applicable, including those which may be less restrictive than the policies and procedures contained herein.

(B) Other requirements. Procurement which involves the expenditure of federal assistance, contract funds, or any grants, gifts, or bequests, shall comply with such federal and state laws and authorized regulations as are mandatorily applicable regardless of whether they are presently reflected in this division.

Sec. 2-288. Ethical procurements.

(A) Applicability of State Ethics Act. The requirements of Title 8, Chapter 13 (Ethics, Government Accountability and Campaign Reform Act), of the S.C. Code of Laws, 1976, as amended, shall be complied with and observed in all actions involving the procurement of goods and services. Any willful violation of this section shall constitute malfeasance in office, and any officer or employee of the town found guilty thereof shall thereby forfeit his or her office or position.

(B) Good faith. Every contract or duty imposes an obligation of good faith in its negotiation, performance or enforcement. As used in this division, the term "good faith" means honesty in fact in the conduct or transaction concerned and the observance of reasonable commercial standards of fair dealing.

(C) Voidability of contracts. Any violation of this section with the knowledge, whether expressed or implied, of the vendor contracting with the town shall render the contract voidable by the Town Administrator or the Town Council.

Sec. 2-289. Procurement limitations and authorization.

(A) Procurement policy. It is the town’s policy to develop competition to ensure maximum purchasing value for all procurement activities. The procurement officer shall have the discretion to use a more stringent purchasing procedure if he or she determines that doing so would better serve the town’s interest. When deemed appropriate, the procurement officer may utilize the services of advisory committees and/or outside consultants to assist with the preparation of IFB’s, RFP’s and RFQ’s; the review and evaluation of bids, proposals, and qualifications; and the review, negotiation, and awarding of contracts and purchase orders. No contract or purchase order may be subdivided to avoid the requirements of this section.

(B) Purchasing procedures. The procurement of goods and services shall be executed as follows:

   (1) Under $5,000.00: Open Market.

      (a) Competitive bidding is not required.
(b) The procurement officer shall have the authority to purchase goods and services on the open market using a reasonable effort to obtain pricing at or below prevailing market rates.

(2) $5,000.00 to $24,999.99: Written Quotes.

(a) Competitive bidding shall be required. The procurement officer shall solicit written quotes from at least three vendors.

(b) If the purchase was specifically budgeted in the current fiscal year budget and the lowest responsible bid is less than or equal to the amount budgeted, the procurement officer shall have the authority to award a contract or purchase order to the successful bidder.

(c) If the purchase was not specifically budgeted in the current fiscal year budget or the lowest responsible bid exceeds the amount budgeted, the procurement officer shall obtain prior approval from the Mayor, subject to the limitations contained in Sec. 2-260(b), before awarding a contract or purchase order to the successful bidder.

(3) $25,000.00 to $49,999.99: Informal Solicitations for Bids or Proposals.

(a) Competitive bidding shall be required. The procurement officer shall issue a written IFB or RFP, depending on the procurement method used. The procurement officer shall solicit written bids or proposals from at least three vendors.

(b) The procurement officer shall review and evaluate all bids or proposals in a timely manner and shall recommend a successful bidder to the Mayor.

(c) Subject to the limitations contained in Sec. 2-260(b), the Mayor shall have the authority to award a contract or purchase order to the successful bidder.

(4) $50,000.00 or Greater: Formal Solicitations for Bids or Proposals.

(a) Sealed, competitive bidding shall be required.

1. Invitation. The procurement officer shall issue a written IFB or RFP, depending on the procurement method used. The procurement officer may, at his or her discretion, issue a written RFQ for the purpose of identifying a “short list” of pre-qualified vendors prior to the issuance of an IFB or RFP. Bid packages shall be advertised in a newspaper of general circulation within the town, on the South Carolina Business Opportunities (SCBO) website, and on the town’s website, at least ten (10) days prior to the due date, except in cases with extraneous time
constraints. Additional methods of notification may be used at the discretion of the procurement officer.

2. **Bid package.** At a minimum, the bid package shall contain the following:

   i. Instructions for completing and submitting a sealed bid or proposal, including the deadline for the receipt of all bids;

   ii. A detailed description of the goods or services to be purchased;

   iii. An explanation of the criteria to be used in the evaluation of bids and proposals;

   iv. Whether a bid security is required and the amount of same;

   v. The date, time and location of the bid opening; and

   vi. Any other items or information deemed appropriate by the procurement officer.

3. **Bid security.** When deemed necessary by the procurement officer, a bid security, not to exceed five percent (5%) of the total bid amount, shall be required. A successful bidder shall forfeit his or her bid security upon failure to enter into a contract with the town within ten (10) days after the issuance of a notice of award; provided, however, the town, in its sole discretion, may waive or reduce this forfeiture.

4. **Submission and sealing.** Bids shall be received by the procurement officer at the designated location no later than the date and time specified in the invitation. Late bids shall not be accepted. Bids shall be securely sealed in an envelope and shall be identified on the envelope in accordance with instructions contained in the bid package.

5. **Opening.** Bids shall be opened and read publicly at the date, time, and location specified in the bid package.

6. **Tabulation.** A tabulation of all bids received shall be available for public inspection.

7. **Rejection of bids.** The procurement officer shall have the authority to reject all bids, or parts of bids, when the public interest will be served thereby.
8. **Bidders in default to the town.** The procurement officer shall have the authority to reject bids from any vendor who is delinquent in the payment of taxes, license fees or other monies due to the town.

9. **Review and recommendation of bids.** The procurement officer shall review and evaluate all bids or proposals in a timely manner and shall recommend a successful bidder to the Mayor. The Mayor shall review the procurement officer’s recommendation and submit a final recommendation of the successful bidder to the Town Council.

10. **Award.** The Town Council shall have the authority to award a contract or purchase order to the successful bidder.

(d) **Performance bonds.** The procurement officer shall have the authority to require a performance bond, before entering into a contract, in such form and amount as the procurement officer shall find reasonably necessary to protect the best interests of the town.

(e) **Exception for construction contracting administration.** Notwithstanding the preceding, procurements involving construction may use a construction contracting administration method which is most advantageous to the town and will result in the most timely, acceptable quality, economical, and successful completion of the construction project. Any request to use an alternate form of construction contracting administration for a particular construction project must receive prior approval by the Town Council.

(C) **Exceptions.** Exceptions to bidding include the sole source, professional services, emergency procurements, purchasing cooperatives, and critical procurements as defined below.

(1) **Sole source.** Sole source procurement is acceptable when, after a good faith review of all possible sources, it is determined by the procurement officer that there is only one viable source from which to obtain the goods or services. Sole source procurements shall be executed as follows:

(a) **For goods and services with an estimated value of less than $50,000.00,** the procurement officer shall submit a written request to the Mayor outlining the justification for sole source procurement. Subject to the limitations contained in Sec. 2-260(b), the Mayor shall have the authority to approve the sole source procurement if he or she deems the request to be justified.

(b) **For goods and services with an estimated value of $50,000.00 or greater,** the procurement officer shall submit a written request to the Mayor
outlining the justification for sole source procurement. If the Mayor determines that the sole source procurement is justified, he or she shall submit the request to the Town Council for consideration. Town Council shall have the authority to approve the sole source procurement.

(2) **Professional services.** Contracts for the procurement of professional service are exempt from the provisions of this ordinance. Such contracts may be negotiated on a fee basis rather than competitive bidding. Subject to the limitations contained in Sec. 2-260(b), the Mayor shall have the authority to approve professional service contracts with a value of less than $50,000.00. All other professional service contracts shall be approved by the Town Council.

(3) **Emergency procurements.** Notwithstanding the requirements of this division, the Mayor may make, or authorize others to make, emergency procurements where there exists a threat to public health, welfare, or safety under emergency conditions; where normal daily operations are affected or in jeopardy; or when a critical situation exists where time does not permit for ordinary solicitation or re-solicitation.

(4) **Purchasing cooperatives.** In the event the town is eligible to purchase goods or services through a “term” contract or purchasing cooperative offered by the State of South Carolina or any of its agencies, Charleston County or other South Carolina Counties, the Municipal Association of South Carolina or other South Carolina municipalities, the U.S. General Services Administration, or other similar public entities, the procurement officer may purchase such goods and services under the “term” contract or purchasing cooperative without seeking competitive bids or proposals; provided, however, if the purchase was not specifically budgeted in the current fiscal year budget or the purchase price exceeds the amount budgeted, the procurement officer shall obtain prior approval from the Mayor, subject to the limitations contained in Sec. 2-260(b), before purchasing the goods or services.

(5) **Purchase and sale of real property.**

(a) When the town desires to purchase real property for public use, the following procedures shall be followed:

1. The property shall be appraised by a licensed South Carolina certified general real estate appraiser.

2. The Mayor, or an individual designated by the Mayor, may commence contractual negotiations to purchase the property.

3. Contractual negotiations may be discussed with Town Council in executive session, as provided for by the S.C. Freedom of Information Act.
4. **Town Council shall make the final determination as to whether to contract for purchase of the property.**

(b) **When the town desires to sell surplus real property, the following procedures shall be followed:**

1. The property shall be appraised by a licensed South Carolina certified general real estate appraiser.

2. Contiguous property owners shall be informed of the town’s intent to sell the property and shall be afforded the opportunity to negotiate a contract to purchase the property.

3. If more than one of the contiguous property owners desires to purchase the property, the Mayor, or an individual designated by the Mayor, may commence contractual negotiations for the sale of the property to the contiguous property owner making the highest offer above the appraised value.

4. If none of the contiguous property owners desire to purchase the property or a contract with a contiguous property owner is not successfully negotiated, the procurement officer shall solicit offers to purchase the property by issuing an IFB.

5. The Mayor, or an individual designated by the Mayor, may commence contractual negotiations with the highest bidder.

6. **Contractual negotiations may be discussed with Town Council in executive session, as provided for by the S.C. Freedom of Information Act.**

7. **Town Council shall make the final determination as to whether to contract for the sale of the real property.**

(c) **The procedures for the purchase of real property shall not apply to the acquisition of real property to be used by the town for pump stations, lift stations, pressure reducing valve sites, public streets, water lines, sanitary sewer lines, storm drainage lines, monitoring sites, mitigation sites, stormwater projects and utility easements.**

**Sec. 2-290. Protest procedures and remedies.**

(A) **Any prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation of a contract may protest to the procurement officer. No other person or entity shall have right of action resulting from any alleged violation of this ordinance and there is no implied right to protest or right of action for any other person or entity. Any such protest must be delivered in writing within five (5) business days of the issuance of**
the IFB or RFP, or within five (5) business days of the issuance of any amendment thereto if the amendment is at issue.

(B) Any actual bidder, offeror, contractor, or subcontractor who is aggrieved in connection with the intended award or award of a contract may protest to the procurement officer. Any such protest must be delivered in writing within five (5) days of the date the notice of award or intent to award is issued by the procurement officer.

(C) A protest must set forth all specific grounds of protest in detail and explain the factual and legal basis for each issue raised.

(D) The procurement officer may conduct any inquiries or conduct any hearings he or she deems necessary to reach his or her decision.

(E) Within ten (10) days of receipt of the written protest, the procurement officer shall issue his or her decision in writing and send copies to all parties to the protest.

(F) If the procurement officer finds in favor of the protestant, he or she may award the protestant its documented bid preparation costs and other damages, not to exceed a total of $5,000.00.

(G) Contracts shall not be stayed pending the decision of the procurement officer. The protestant's remedies set forth herein shall be the protestant's exclusive remedy, including any remedy for violation of this ordinance.

(H) A protestant may appeal the decision of the procurement officer to the Mayor by requesting a review, in writing, with the Mayor within five (5) business days of the procurement officer’s decision. No new issues will be considered by the Mayor on appeal. The Mayor may appoint a special committee to consider any such appeals. The decision of the Mayor, or any special committee appointed by the Mayor, shall be final.

Sec. 2-291. Open records.

The procurement officer shall keep a record of all open solicitations and bids submitted in competition thereon, and such records shall be open to public inspection in accordance with the S.C. Freedom of Information Act.

Sec. 2-292. Disposal of surplus property.

(B) Disposal procedures. The procurement officer may dispose of surplus property as follows:

(1) Items with an estimated value of less than $500.00 may be sold on the open market without formal advertisement or competitive procedures. Such items
may also be donated to local not-for-profit organizations which provide charitable services within community.

(2) Items with an estimated value of $500.00 or more shall be sold using one or more of the following competitive methods: in-house auction, outside auction, formal or informal bidding process, online auction services, broker services, or similar competitive methods recommended by the procurement officer and approved by the Mayor.

Sec. 2-285.--Items less than $3,000.00

All purchases and contracts of less than $3,000.00 may be made in the open market, without advertisement and without the necessity of complying with the provisions of this article.

Sec. 2-286.--Items between $3,000.00 and $10,000.00.

All purchases and contracts of less than $10,000.00 but more than $3,000.00 may be made in the open market, without newspaper advertisement and without observing the formal competitive bidding procedures set forth in subsections (1) through (3) of this section, but shall be undertaken in accordance with the following procedures:

(1) All open market purchases shall, wherever reasonably possible, be based on at least three price quotations.

(2) The mayor or designee shall solicit quotations by direct mail or by telephone to be confirmed in writing by the person offering the price quotation. The final purchasing decision shall be the mayor's responsibility.

(3) The mayor or designee shall keep a record of all orders and the quotations submitted, and such records shall be open to public inspection during normal business hours.

Sec. 2-287.--Items greater than $10,000.00.

All purchases and/or contracts exceeding $10,000.00 shall be made in accordance with the competitive bidding procedures set forth in subsections (1) through (5) of this section:

(1) Invitation to bid. The mayor or designee shall solicit bids by mail, telephone, newspaper, or by any other reasonable means designed to secure responsible bidders. Invitations to bid shall be advertised or noticed at least ten days prior to the date on which bids are due unless, due to extraneous time constraints, such cannot be complied with.

(2) Bid deposits,

a. All bidders must provide a bid security. Bid deposits shall be prescribed in the public notice inviting bids. The amount of such deposit shall be five percent of
the bid and shall be in the form of a certified check, bond or cash. Bid deposits may be waived provided notice of such is given when bids are solicited.

b. Unsuccessful bidders shall be entitled to the return of their surety within 30 calendar days after the awarding of the contract or the rejection of all bids.

c. Upon the failure of a successful bidder to enter into a contract within seven calendar days after the town tenders the proposed contract, the bidder shall forfeit the bid deposit.

c. Bids shall be opened in public at the time and place stated in the public notice.

d. A tabulation of all bids received shall be made available for public inspection.

(4) Analysis and recommendation of bidder. Contracts shall be awarded to the lowest responsive, responsible bidder. In determining the lowest responsive, responsible bidder, in addition to price, consideration may be given to:

a. The ability, capacity and skill of the bidder to provide the services required;

b. The capability of the bidder to perform the contract or provide the services promptly, or within the time specified without delay or interference;

c. The character, integrity, reputation, judgment, experience and efficiency of the bidder;

f. The sufficiency of the financial resources of the bidder to perform the contract or provide the services;

g. The quality, availability and adaptability of the suppliers of contractual services to the particular use required; and
The quality of samples requested by the town.

Sec. 2-288.--Professional service contracts.

(a) Authority. For the purpose of procuring any professional services, where the person or firm employed is customarily employed on a fee basis rather than by competitive bidding, the town may act as a purchasing agent and contract on its own behalf for such services without the necessity of complying with the provisions of this article.

(b) Mayoral recommendation; council approval. The mayor shall recommend the person or firm to the town council for approval as soon as possible. If approved by the town council, such contract may thereafter be entered into.

Sec. 2-289.--Sole-source procurement.

A contract may be awarded for a supply, service or construction item without competition when the mayor or designee determines in writing that there is only one source for the required supply, service or construction item. After such written determination has been made, all sole-source contracts not exceeding $3,000.00 may be entered into without the necessity of complying with the provisions of this article. For all sole-source contracts exceeding $3,000.00, the mayor shall recommend such contracts to the town council for approval as soon as possible. If approved by the town council, such contract may thereafter be entered into.

Sec. 2-290.--Emergency procurements.

Sec. 2-184. - Competitive sealed bidding.

(a) Conditions for use. Contracts shall be awarded by competitive sealed bidding except as otherwise provided in section 2-182 (Methods of source selection).

(b) Invitation for bid. An invitation for bid shall be issued and shall include a purchase description, and all contractual terms and conditions applicable to the procurement.

(c) Public notice. Public notice of the invitation for bid shall be given not less than seven days prior to the date set forth therein for the opening of bids. Such notice may include publication in a newspaper of general circulation.

(d) Bid opening. Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bid. The amount of each bid and other such relevant information as may be specified by regulation, together with the name of each bidder, shall be recorded. The record and each bid shall be open for public inspection after award. Late bids shall not be opened and considered for award, but the name of the late bidder(s) and the time of the attempted delivery shall be recorded in the bid file wherever possible.

(e) Bid acceptance and evaluation. Bids shall be unconditionally accepted without alteration or correction, except as authorized in this article. Bids shall be evaluated based on the requirements set forth in the invitation for bid, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable such as discounts, transportation costs, and total or life cycle costs. The invitation for bid shall set forth the evaluation criteria to be used. No criteria may be used in bid evaluations that are not set forth in the invitation for bid.

(f) Correction or withdrawal of bids, cancellation of awards. Corrections or withdrawal of inadvertently erroneous bids, before or after award or cancellation of awards or contracts based on such bid mistakes, may be permitted in accordance with regulations. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the county or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the contracts and procurement director.

(g) Award. Except as hereinafter prescribed, all contracts shall be awarded with reasonable promptness by written notice to the lowest responsive bidder whose bid meets the requirements and criteria set forth in the invitation for bid.

(1) Bids exceeding $100,000.00 on all single items of capital goods or construction projects (to be performed by outside contractors), shall be subject to review and approval by county council. These items shall be placed on the Finance Committee Consent Agenda.

(2) In other than construction projects, if all bids exceed available funds and no additional monies can be appropriated, then the bids will be rejected.
In the event all bids for a construction project exceed available funds, and the lowest responsive and responsible bid does not exceed such funds by more than five percent, the contracts and procurement director is authorized in situations where time or economic considerations preclude re-solicitation of work of a reduced scope, to negotiate an adjustment in the bid price including changes in the bid requirements with the lowest responsive and responsible bidder in order to bring the bid within the amount of available funds.

(h) 
**Tie bids.** The contracts and procurement director is authorized in the case of tie bids to make awards on any reasonable basis subject to governing rules and regulations intended to prevent identical bidding, and in instances where that does not provide a solution, to reject all bids and either issue a new solicitation or if time and economic considerations do not allow, negotiate a more favorable purchase.

(i) 
**Disclosure of bid information** prior to bid opening for goods and services, excluding construction:

1. All estimates of costs prepared, by or for the county, shall remain confidential prior to execution of a contract.
2. The names of those persons who receive bid packages will not be revealed.
3. The number of bidders will not be revealed.

(j) 
**Disclosure of bid information for construction projects prior to award:**

1. A bid range based on estimated project costs may be disclosed.
2. Names of potential bidders may be released to the extent known.

(a) 
**Conditions for use.** Subject to section 2-222, when the contracts and procurement director determines in writing that the use of competitive sealed bidding is either not practicable or not advantageous to the county, a contract may be entered into by competitive sealed proposals.

(b) 
**Request for proposals.** Proposals shall be solicited through a request for proposals.

(c) 
**Public notice.** Public notice of the request for proposals shall be given in the same manner as provided in section 2-184(c).

(d) 
**Proposal opening.** Proposals shall be publicly opened and only the names of the offerors disclosed at the proposal opening. Contents of competing offerors shall not be disclosed during the process of review and discussions. Proposals shall be for public inspection after contract award. Proprietary or confidential information marked as such in each proposal shall not be disclosed without written consent of the offeror as provided for in section 2-154 of this Code. Late proposals shall neither be opened nor considered for award; however, the name and address of the late offeror and the time of attempted delivery shall be recorded wherever practicable.

(e)
Clarifications with responsible offerors and revisions to proposals prior to selection of preferred offeror/proposal. As provided in the request for proposals, discussions may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Offerors shall be accorded fair and equal treatment with respect to any opportunity for submissions, and prior to award for the purpose of obtaining best and final offers. In conducting such discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

(f) Evaluation factors. The request for proposals shall state the evaluation factors in relative order of importance, unless otherwise noted.

(g) Discussions with preferred offeror. After proposals have been evaluated, discussions may be held with the preferred offeror in an effort to reach terms advantageous to the county. Notwithstanding this provision, solicitations may incorporate contract terms to which all offerors shall be expected to adhere.

(h) Award. Except as hereinafter prescribed, the award shall be made to the responsible offeror whose proposal is determined, in writing, to be most advantageous to the county taking into consideration the evaluation factors set forth in the request for proposals. No other factors or criteria shall be used in the evaluation. The contract file shall contain the basis on which the award is made. Proposed awards exceeding $50,000.00 on all single items of capital goods or construction projects (to be performed by outside contractors), shall be subject to review and approval by county council. These items shall be placed on the finance committee consent agenda.
